<b>Total GIR Subjects Required for SB Degree</b>	<b>17</b>

#### Physical Education Requirement

#### Restricted Electives

Select seven subjects, including one subject from the each of the four groups listed below and three additional political science subjects representing a coherent plan of study. Specific subjects satisfying these criteria should be chosen in consultation with a faculty advisor.

**Units in Major** 132-135

<b>Unrestricted Electives <sup>3</sup></b>	<b>81-120</b>
Units in Major That Also Satisfy the GIRs	(36-72)
<b>Total Units Beyond the GIRs Required for SB Degree</b>	<b>180</b>

The units for any subject that counts as one of the 17 GIR subjects cannot also be counted as units required beyond the GIRs.

<sup>1</sup> Students typically enroll in subjects as follows: 17.801, fall term, junior year; 17.803, spring term, junior year; 17.THT, fall term, senior year; 17.THU, spring term, senior year.

<sup>2</sup> 17.THT and 17.THU may be replaced by two additional elective subjects in Political Science.

<sup>3</sup> This chart has been calculated based on an overlap of 36 units (three subjects) between the HASS General Institute Requirement and the departmental requirements. Students who develop a program of study with more overlap will be able to select more unrestricted electives to meet the number of total units beyond the GIRs required for an SB degree.
