

Cooperative/Experiential Education (EXED)

EXED 1990. Elective. (1-4 Hours)

Offers elective credit for courses taken at other academic institutions. May be repeated without limit.

EXED 2990. Elective. (1-4 Hours)

Offers elective credit for courses taken at other academic institutions. May be repeated without limit.

EXED 3990. Elective. (1-4 Hours)

Offers elective credit for courses taken at other academic institutions. May be repeated without limit.

EXED 4990. Elective. (1-4 Hours)

Offers elective credit for courses taken at other academic institutions. May be repeated without limit.

EXED 5945. Experiential Integration Seminar. (0 Hours)

Guides students in connecting experiential learning to key concepts and skills for the student's degree program. May be repeated twice.

EXED 6959. Cooperative Education Integrated Experience. (4 Hours)

Offers a guided learning opportunity to graduate students to accompany their cooperative education work experience. Under faculty supervision and assessment, students engage in one or more projects related to, but distinct from, their work assignments, or explore topics related to their work experience to enhance their experiential learning. May be repeated twice.

EXED 6962. Elective. (1-4 Hours)

Offers elective credit for courses taken at other academic institutions. May be repeated without limit.
