Assessment Title: Click or tap here to enter text.

AI Assessment Level

This assessment has been assigned the following level on the AI Assessment Scale:

Level 1 – No AI

No generative AI tools may be used in any capacity for this assessment.

Level 2 - AI Planning

Limited use of generative AI tools is permitted for specific tasks such as brainstorming, grammar checking, or basic research support.

Level 3 - AI Collaboration

Moderate use of generative AI tools is permitted as part of the learning process, with appropriate acknowledgment required.

Level 4 – Full AI

Extensive use of generative AI tools is permitted and encouraged as a collaborative partner in the work.

Level 5 - AI Exploration

Extensive use of generative AI tools is permitted and encouraged as a collaborative partner in the work.

Declaration of AI Use

Did you use any generative AI tools in the creation of this assessment?

Yes

No

Details of AI Use (if you answered “Yes” above)

1. AI Tools Used

- i. Please list all generative AI tools used (e.g., ChatGPT, Claude, Gemini, GitHub Copilot, Grammarly AI, etc.):

Click or tap here to enter text.

- ii. Did you use the paid version of these generative AI tools?

Yes

No

2. Purpose and Extent of Use

Please describe specifically how you used AI tools and for what purposes:

Research and information gathering

Brainstorming and idea generation

Writing assistance (drafting, structuring, editing)

Grammar and language checking

Code generation or debugging

Data analysis or interpretation

Translation

Other (please specify): Click or tap here to enter text.

Student Declaration

I declare that:

1. The information provided in this declaration is complete and accurate.
2. My use of generative AI tools is appropriate for the assigned AI Assessment level for this assessment.
3. I understand that any AI-generated content has been properly acknowledged and integrated into my work in a manner consistent with academic integrity principles.
4. I take full responsibility for the final submitted work and the accuracy of all content, regardless of its source.
5. I understand that inappropriate use of AI tools may constitute academic misconduct and could result in penalties including failure of the assessment or module.
6. I have retained records of my AI interactions (where possible) and can provide evidence of my use if requested.
