

# HONOURS BACHELOR OF HUMAN KINETICS - STUDIES OF SOCIAL ISSUES IN SPORT, PHYSICAL ACTIVITY AND LEISURE OPTION

## Overview

The Honours Bachelor of Human Kinetics (BHK) emphasizes the social sciences aspects of physical activity, sport, active leisure and health. It provides the knowledge and skills required to play a leading role in developing, promoting and implementing programs, policies and positive lifestyle behaviours for different populations in a variety of settings. Students will have the opportunity to do experiential education internships in a community venue, or do a research project supervised by faculty. Graduates of this program will gain theoretical and applied knowledge from disciplines such as sociology, leisure studies, psychology, pedagogy/coaching and administration, as well as foundational understandings of the biophysical aspects of human movement. This program prepares students to pursue a number of job opportunities in community recreation and sport; socio-cultural studies in leisure and sport; sport and leisure management; coaching in sport; teaching in schools and other settings; sport psychology; and sport, physical activity and health consultancy.

The Option in Studies of Social Issues in Sport, Physical Activity and Leisure offers an opportunity to improve your knowledge and skills in critical analysis of sport, physical activity and leisure to help you become an actor of social change in, and through, sport, physical activity and leisure. You will learn about the effect of social issues on sporting, physical and leisure practices as well as the impact of these practices on social change. In the process, you better understand how power relations are enacted in the context of sport, physical activity and leisure as well as understand how these practices become tools of social change.

This program is offered in English and in French.
