

# MAJOR IN VISUAL ARTS

The **Major in Visual Arts** allows you to have the same range of course experiences as the BFA— including compulsory practical and theoretical courses but offers a greater number of electives so that you might pursue a broader range of interests. Majors can combine their degree with either a Minor or a second Major. It is an excellent preparation if you wish to pursue careers in such fields as fine arts education, project or communications officer in artistic organizations, artist agent, conservator, or curator.

The Department of Visual Arts also offers a Major and a Minor in Art History.

This program is offered in English and in French.

## Program Requirements

The table below includes only the discipline-specific courses. Please refer to the Academic Regulations (<https://www.uottawa.ca/about-us/policies-regulations/academic-regulations/b-2-program-studies/>) for information on the Honours bachelor's with double major and the Honours bachelor's with major and minor.

The French immersion stream is available when taken as part of an honours degree.

Requirements for this program have been modified. Please consult the 2023-2024 calendars (<http://catalogue.uottawa.ca/en/archives/>) for the previous requirements.

This program cannot be combined with the Major or the Minor in Art History.
