

## **Fulbright Grants for Israelis**

### **Fulbright Post-Doctoral Fellowships**

Sixteen grants are offered to post-doctoral scholars in all fields of study who are about to begin a program of research in the United States.

### **Fulbright-ISEF Post-Doctoral Fellowship**

One grant is offered to a post-doctoral scholar in any field of study who is about to begin a program of research in the US.

In addition to academic excellence, the criteria for selection of the Fulbright-ISEF Post-Doctoral Fellow include involvement in community service activities and proven leadership capabilities in such activities.

### **Fulbright Master's Degree Fellowships**

Approximately five grants will be awarded to outstanding students, in all fields except business administration and clinical fields of study, who plan to begin Master's degree studies at American universities.

### **Fulbright Hubert H. Humphrey Fellowships**

Grants are offered to mid-career professionals, committed to public service, for studies and a professional development internship in the United States.

### **Fulbright Visiting Scholar Occasional Lecturer Grants**

Travel grants are offered to Fulbright post-doctoral and senior scholar fellows visiting the United States to enable them to give guest lectures at colleges and universities and to present papers at professional conferences.

### **Fulbright Scholar-in-Residence (SIR) Grants**

Grants are offered to U.S. colleges and universities in order to enable them to host visiting Fulbright Fellows for one semester or one academic year and teaching and curriculum development activities.
