

POLICIES AND PROCEDURES

The following policies and procedures relate to undergraduate academics at Penn, and are organized by topic.

Most academic policies and procedures at Penn are school-based. University policies (<http://catalog.upenn.edu/pennbook/>) are also often administered through the schools. Students should consult with their school or program academic advisors (<http://catalog.upenn.edu/undergraduate/academic-resources/advising/>) with questions or for help in understanding academic policies and procedures.
