MISSION STATEMENT

The American University of Beirut (AUB) is an institution of higher learning founded to provide excellence in education, to participate in the advancement of knowledge through research, and to serve the peoples of the Middle East and beyond. Chartered in New York State in 1863, the university bases its educational philosophy, standards, and practices on the American liberal arts model of higher education. The university believes deeply in and encourages freedom of thought and expression, and seeks to foster tolerance and respect for diversity and dialogue. Graduates will be individuals committed to creative and critical thinking, life-long learning, personal integrity and civic responsibility, and leadership.

MESSAGE FROM PHILIP S. KHOURY, PHD

Chairman of the Board of Trustees

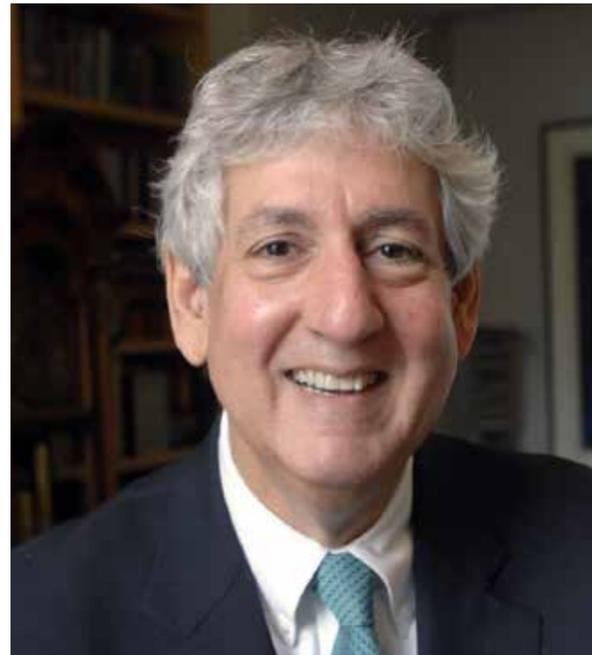

I am happy to report that in spite of the harsh conditions of life in Lebanon, the American University of Beirut (AUB) is adapting, advancing, and progressing to meet its immediate needs and to take on the longer-term challenges of the twenty-first century. I do not want to suggest for a moment that any of this is easy for our AUB administration, faculty, staff, and students, but they do us very proud for the ways they have come together to advance the university's agenda.

Our university's Board of Trustees has also done us very proud, making critical decisions in June 2021 to put our university on the right course to survive these challenging times and to ensure that AUB is well positioned to stay true to its mission to graduate individuals committed to creative and critical thinking, life-long learning, personal integrity, and civic responsibility.

On July 1, 2021, the university began to disburse \$150 million, money which the board approved in June 2021, to support the AUB community over the next three years. Funds were allocated to provide a portion of compensation packages for full- and part-time faculty and staff in real ("fresh") US dollars, over a period of three years, until June 2024.

Another Board of Trustees initiative that was implemented this year was disbursing money from the Medical Heroes Fund and the Staff Heroes Fund to support, reward, and empower our most deserving physicians, nurses, and staff. Proceeds from these funds, which were contributed by individual trustees, have been used to assist faculty and staff who need short-term emergency assistance with, for example, education, housing, and healthcare expenses.

In November 2021, the board hosted a fundraising dinner in New York City ("for our students, for our patients") to raise urgently needed funds

for student scholarships and to assist patients seeking care at the AUB Medical Center. More than 220 trustees, alumni, and friends attended the dinner, which raised more than \$3.1 million – an extraordinary testament to how much people value our university and the singular role that it plays in Lebanon and the region. Many members of the International Advisory Council also supported the November 2021 fundraising dinner, just one of many ways that this august body contributes to our university.

I want to take this opportunity also to talk about BOLDLY AUB: The Campaign to Lead, Innovate, and Serve, the five-year \$650 million fundraising campaign that we launched in January 2017 on the occasion of the university's 150th anniversary. Against all odds and in circumstances that we could not have imagined when we launched

the fundraising campaign, we achieved our fundraising goals ahead of schedule; raising \$654 million by June 30, 2021. Each and every one of you listed in this Contributors Report played a role in the success of the BOLDLY campaign, and for that we are so grateful. Because of the unprecedented challenges that Lebanon – and our university – face due to the economic and financial collapse of the country, philanthropic support has never been more important and so the board decided to extend the campaign until January 2024.

It was also in spring 2021 that the board approved the establishment of AUB's first twin campus outside Lebanon, the American University of Beirut – Mediterraneo in Pafos, Cyprus, a milestone event in the storied history of the American University of Beirut. The establishment of AUB Mediterraneo is a critical part of our Global AUB vision, a vision of a global American university anchored in Beirut, Lebanon, our eternal home; with offices in North America; hubs in Africa; an expanded AUB Online presence; and campuses outside Lebanon.

As we build and expand from our base in Beirut, we are holding tight to those values that define who we are. What are those values? We believe strongly in the universal application of human rights. We believe in freedom of expression and tolerance of differences. We abhor violence and we cherish enlightened discussion – where opposing views are not vilified but respected. Today, AUB is on solid ground because of its core values. Our roots run deep. We are resolute, and we are resilient.

On behalf of the Board of Trustees, I thank all of you for your continued support and dedication to this remarkable university.

Philip S. Khoury

MESSAGE FROM FADLO R. KHURI, MD

President

I have spoken on several occasions in recent years of the anti-fragile phenomenon, which Dr. Nassim Nicholas Taleb described in his *Incerto* anthology. It is a powerful idea and one that I believe describes the American University of Beirut exceptionally well – especially in these times. As Taleb explained, “antifragility is beyond resilience or robustness. The resilient resists shocks and stays the same; the antifragile gets better.” In these unprecedented times, we at the American University of Beirut are not just demonstrating our resilience and our ability to survive. We are getting better. This isn’t something that just happens. It requires constant stewardship, careful stimulation and, most of all, a defining purpose. That purpose, that mission, must be guarded and communicated, propagated, and ultimately lived by.

That purpose informs everything we do – and how we do it. It inspired the BOLDLY AUB fundraising campaign, which we launched in January 2017 and which you have so generously supported – and which we will continue until at least January 2024. We achieved our \$650 million target ahead of schedule, raising \$654 million as of June 30, 2021 – a stunning achievement. As of June 30, 2022, we had raised \$702 million: \$220 million for Academic Priorities; \$209 million for Student Diversity & Life on Campus (including scholarships); \$240 million for Healthcare Priorities; \$18 million for Capital & Infrastructure Priorities; and \$15 million for Outreach & Community Impact.

It is so that we can better fulfill our purpose that we have adopted a new strategic vision, VITAL 2030, to ensure AUB’s future success, relevance, and sustainability over the next decade and beyond. Our priorities are:

- V** Valuing our community and validating our values
- I** Innovating and integrating humanities, technology, and purpose-based education
- T** Transforming the university experience for all
- A** Advancing a world-class research agenda
- L** Lifting the quality of health and medicine across our region (or Life)

These priorities should resonate with you. We do not aspire to be a fundamentally different organization. We want to instead build on our singular history to do even better in the years ahead. It is what we must do. It is what we will do.

As part of our Global AUB vision, we are expanding beyond our walls in Ras Beirut – first to our region. On April 8, 2022, we signed a historic agreement with the Municipality of Pafos, Cyprus to establish a twin campus of the American University of Beirut where we will welcome students in fall 2023. The American University of Beirut – Mediterraneo in Pafos will be an integral part of AUB. There will be extensive interaction with the Beirut campus in the form of student exchanges, faculty exchanges, and collaborative and impactful research projects.

When talking of global visions, ambitious fundraising campaigns, and the opening of new campuses, it is too easy to ignore the extraordinary things that are happening every day on our campus – but we shouldn’t. We resumed in-person teaching in fall 2021; our faculty are continuing to earn regional and global accolades; and we are awarding record amounts of financial support to our students. We are also prioritizing the needs of our faculty and staff and will continue to do so. In June 2021, we announced a three-year \$150 million strategy, the “Road to the Highway,” to leverage \$150 million in resources from outside Lebanon to support our dedicated faculty and staff by helping to bridge salaries and maintain essential benefits such as education, healthcare, and retirement.

In January 2022, I announced the establishment of the Medical Heroes Fund and the Staff Heroes Fund, supported generously by individual trustees, to assist vital and at-risk faculty and staff who are experiencing urgent financial hardship. These funds have been assisting members of our AUB community of staff and faculty in meeting some critical financial obligations.

Our trustees have once again stepped forward to lead the way during these challenging times, individually and collectively. On November 19, 2021, they hosted a fundraising dinner in New York City that raised \$3.1 million. Our AUB family also came together to support Giving Day on December 6, 2021: 553 donors from 42 countries contributed \$1.3 million.

We ended the academic year with in-person Commencement exercises on the Green Field with graduating students and their families and awarded honorary doctorates – for the first time since 2019. We also celebrated in-person Class Reunions on campus in June – again for the first time since 2019.

I want to end as I ended my Commencement address to our graduating students in June 2022, reflecting on the “ties that bind us to life.” Anne Brontë wrote about those ties in *Agnes Grey*: “The ties that bind us to life are tougher than you imagine, or than anyone can who has not felt how roughly they may be pulled without breaking.” For all of us in the AUB family, these have been difficult years – with the pandemic, the August 4, 2020 Beirut port explosion, and the economic and financial collapse of Lebanon. It is precisely during times such as these that we most appreciate the power of the “ties that bind” us to each other and to this great institution. As we continue to move forward, we count on your support.

Thank you.

BOLDLY AUB:

The Campaign to Lead, Innovate, and Serve

The impact of BOLDLY AUB: The Campaign to Lead, Innovate, and Serve can be seen throughout campus: in the thousands of students who are receiving financial support, in expanded student services, in increased funding for student and faculty research, in renovated student residence halls, and in outreach initiatives benefiting our community.

At the official launch of the BOLDLY AUB fundraising campaign on January 16, 2017, the chairman of the AUB Board of Trustees, Philip S. Khoury, spoke eloquently about “AUB’s great legacy and how crucial it is not just to sustain this legacy, but to build on it.” He went on to speak about the three pillars of the BOLDLY AUB campaign: leading, innovating, and serving. “We lead through knowledge creation, through openness, through diversity, and a commitment to sustainability. We produce thought leaders and community leaders with the passion and drive to effect significant and meaningful change. We innovate with ‘firsts’ in a wide range of disciplines from medicine and engineering to nutrition and the humanities . . . But perhaps most importantly,” he stressed, “we serve. We serve the communities around us near and far through outreach initiatives and regionally relevant research and the exceptional medical care we provide.”

In his speech on that occasion, President Fadlo R. Khuri spoke about the power of education, which he described as “the single most significant human construct that we have. It is no exaggeration to say,” he continued, “that nothing on earth compares with its power to generate positive changes. In the harshest conditions, it is the best means toward improvement, for individuals and communities.” He went on to describe AUB as “an institution that has always been about relevance, resilience, and impact. Supporting, mentoring, advancing, and nurturing today, and tomorrow’s, best and brightest so that they can change the

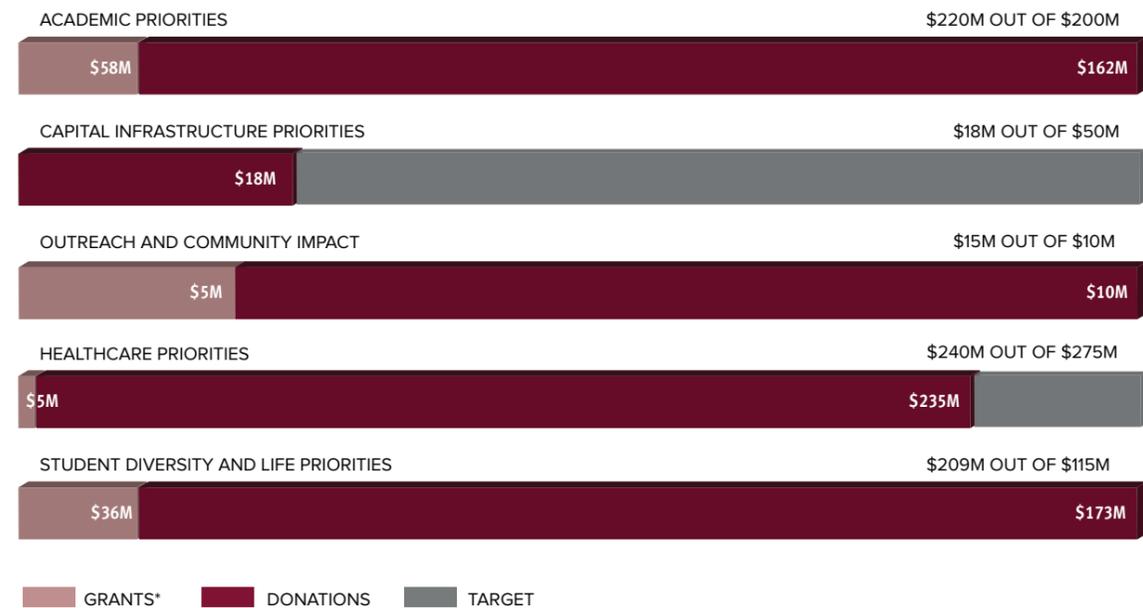

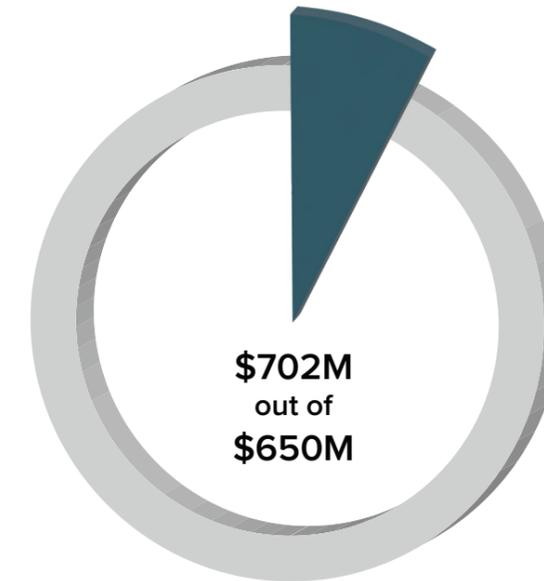

world. After 30 years have passed, I want all of us still here to be able to look back in the knowledge that we did everything we could to arm these citizens of tomorrow to make sure that there is a better world.”

No one imagined on January 16, 2017, that the BOLDLY campaign would be so timely, providing critical support at a time when the university was faced with unimaginable challenges: the economic and financial collapse of the country, the pandemic, and the August 4, 2020, explosion in the Beirut port. Through it all, the BOLDLY AUB campaign continued. Some of the priorities changed – from capital projects to student scholarships, assistance for patients seeking care at the medical center, and urgent needs in the community, for example – but the campaign continued. The university was able to respond more quickly and more generously during recent years in part because of the success of the BOLDLY AUB campaign including the \$200 million that was added to the endowment, the more than 467 donor-funded scholarships that were established, and the money that was raised for the medical center.

Not only did the BOLDLY AUB campaign continue, but it achieved its financial goal – and ahead of schedule: \$654 million was raised as of June 2021. (As of January 2022, the original end date for the campaign, AUB had raised \$673 million.) In January 2017, the plan had been to end the five-year campaign in January 2022 with a global celebration. Given the extraordinary challenges in Lebanon and at AUB, the AUB Board of Trustees has decided instead to extend the BOLDLY AUB campaign for at least another two years.

ABOUT OUR TRUSTEES

The contribution of AUB trustees to the university cannot be overstated as President Fadlo R. Khuri noted in his message in the 2021 Contributors Report: “In word and deed, on occasions too many to mention, they have stepped up to support the primacy of AUB’s mission and the enduring message that it has carried from Lebanon throughout the rest of the world, with particular focus on the Global South.”

Throughout the year – in many ways and on countless occasions – the board has affirmed its “complete support, trust and commitment to the AUB community, its students, faculty, staff, and alumni,” as it did in the message that Chairman Philip S. Khoury sent on behalf of the board on June 6, 2022.

It is the leadership and support of our Board of Trustees that has enabled AUB to navigate the challenges of these unprecedented times while at the same time launching new initiatives, such as the establishment of AUB’s new twin campus in Pafos, Cyprus, AUB Mediterraneo, and the launch of AUB Online, which will enable us to recruit more students for our exceptional academic programs. As AUB expands its presence beyond Lebanon, our board remains committed to investing in our campus and medical center in Beirut.

On June 4, 2021, during a meeting of the AUB Board of Trustees, President Khuri announced an initiative from Chairman Emeritus Dr. Richard A. Debs, who challenged fellow trustees and trustees emeriti to match his extraordinary commitment of \$100,000 for a Medical Heroes Fund. The response was immediate – and overwhelming. AUB trustees committed more than \$1.25 million of their own personal monies toward two newly designated funds – the Medical Heroes Fund and the Staff Heroes Fund to support, reward, and empower our most deserving physicians, nurses, and staff. Proceeds from these funds have been used to assist faculty and staff who need short-term emergency assistance with, for example, children's education costs, housing loans, and family healthcare bills.

AUBMC EMERGENCY FUEL FUND

On August 14, 2021, the AUB Medical Center (AUBMC) issued an appeal for fuel urgently needed to keep ventilators and other lifesaving medical devices operational. The appeal was prompted by the threat of a forced shutdown starting on August 16, which would have meant “that ventilators and other lifesaving medical devices will cease to operate.” Within hours we heard from many alumni and friends asking what they could do to help.

More than 90 alumni and friends made donations to the AUBMC Emergency Fuel Fund to support this urgent need. All donations to the fund were used to pay for fuel needed at the medical center.

AUB FUNDRAISING DINNER 2021

More than 220 trustees, alumni, and friends gathered in New York City on November 19, 2021, for the AUB Fundraising Dinner at the Mandarin Oriental Hotel, which was organized “for our students, for our patients.” We received more than 80 donations totaling more than \$1.6 million on November 19 bringing the total raised, during the period immediately before and during the dinner, to \$3.1 million.

In addition to being a successful fundraiser, the gala was also a celebration of AUB, which President Fadlo R. Khuri described as a “mission-driven university” that is “still standing, still generating hope in the face of despair, and still graduating stellar human beings with real-world skills and a mind to help.” In his remarks, Khuri also spoke about how AUB is becoming “more impactful, more accessible, more inclusive, and more aspirational. This transformation,” he continued, “must take place at a time when Lebanon’s political and economic crises make that simultaneously even more urgent, albeit more difficult, but we cannot shy away from undertaking the tasks necessary to make the university more relevant and resilient, to ensure that we can support and guide those students and patients who seek AUB’s liberal arts-based values, its research driven teaching and care.”

The evening program also included welcoming remarks by Board of Trustees Chairman Philip S. Khoury; a performance by oud and violin virtuoso and composer Simon Shaheen; and a live fundraising appeal.

Giving Day 2021 was a global celebration – attracting support from more than 550 alumni and friends in 42 countries in six continents who contributed more than \$1.38 million for student scholarships and to assist patients who need help to pay for the care they receive at the AUB Medical Center. It was AUB's first Giving Day since 2018. The situation in Lebanon and the pandemic made it impossible for AUB to organize Giving Day in 2019 and 2020 but, as VP Imad B. Baalbaki explained, "we were determined to not let another year pass without a Giving Day!"

AUB alumni and alumni chapters were especially active on December 6, 2021: more than 60 alumni chapters across the world mobilized alumni and friends to donate for Giving Day. Sixty-four percent of the gifts AUB received for Giving Day were from alumni.

The seven academic deans also played a pivotal role in rallying their alumni, students, and staff. Donors were also motivated by the knowledge that their gifts would unlock donations from 10 Giving Day partners (listed left), all benefiting student scholarships and patients seeking care at AUBMC.

AUB4STUDENTS SCHOLARSHIP DRIVE

Although the university is awarding a record amount of financial assistance these days, there are still students who need support to pay their tuition fees. We launched the AUB4Students Scholarship Drive on February 14, 2021, Valentine's Day, to assist these students who are facing extraordinary challenges due to the economic and financial collapse of Lebanon.

We are deeply grateful to the more than 2,010 donors who made gifts in 2021-22 to help current and future students.

AUB4WOMEN CAMPAIGN

In calendar year 2021, the American University of Beirut celebrated its Coed Centennial, a milestone event in the history of the university: the decision to admit women students to the Faculty of Arts and Sciences and to its graduate programs in medicine, dentistry, and pharmacy. It was a year-long celebration featuring exhibits and events on campus.

We also launched the AUB4Women Campaign in 2021 to establish new, and encourage additional support for existing, scholarship funds (both endowed and current) that benefit women students at AUB. We are deeply grateful to the donors listed here for their support for the AUB4Women Campaign.

CLOCK TOWER SOCIETY

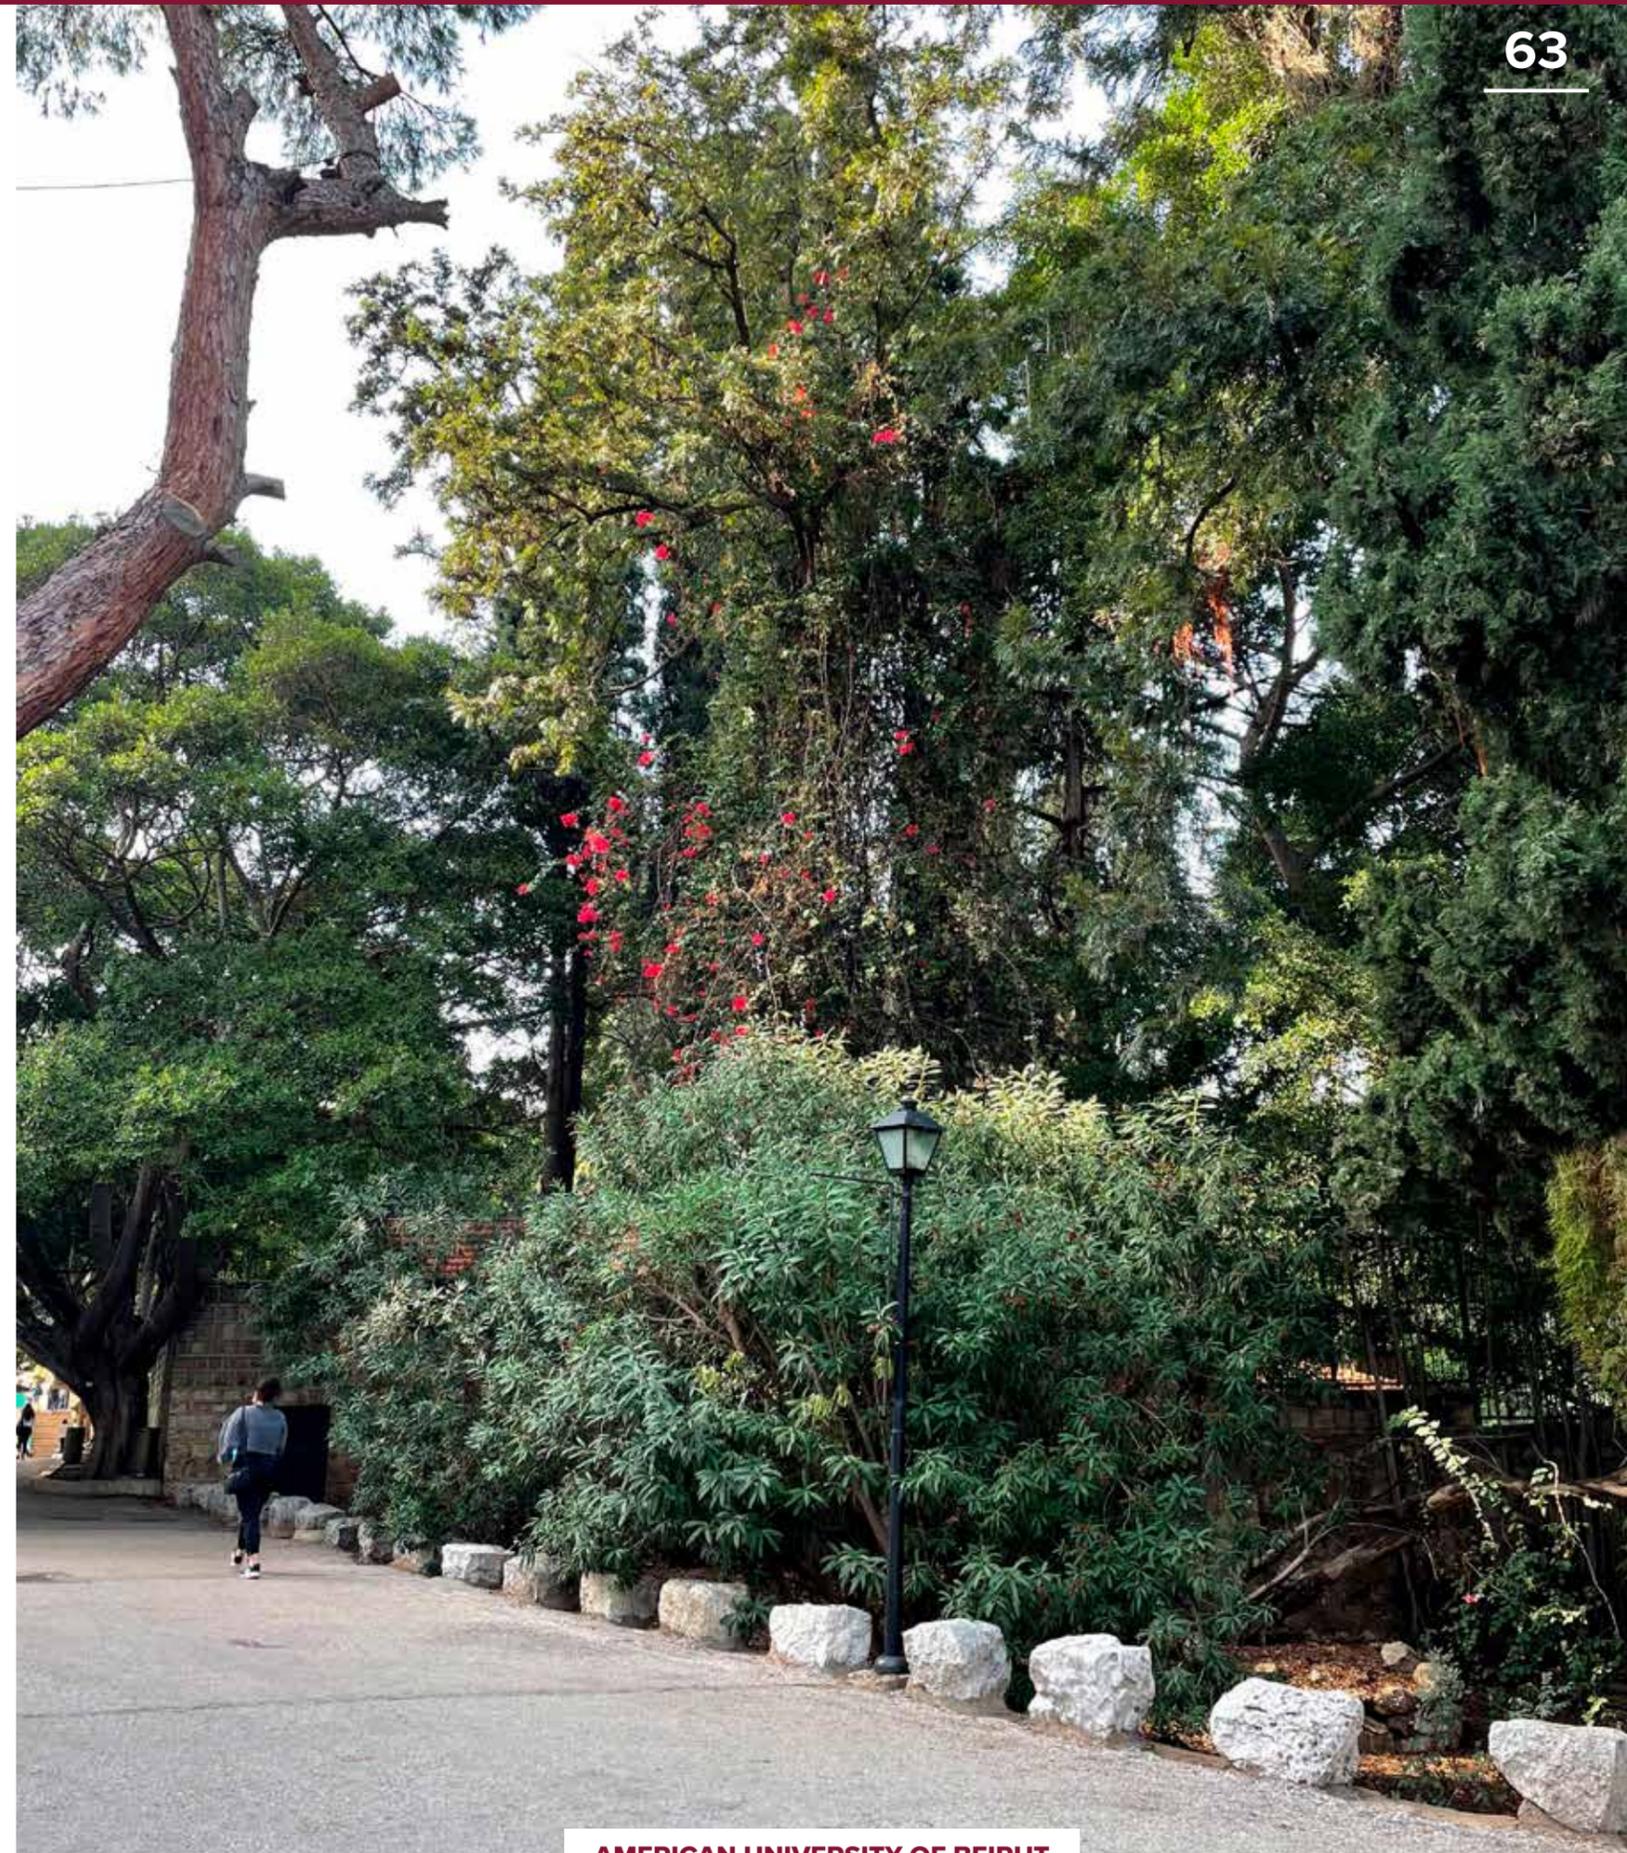

The AUB Clock Tower Society was launched to honor individuals who have made a planned gift to AUB or have included AUB in their will. Other eligible planned gifts include outright gifts, trusts, gifts from an IRA or retirement plan, life insurance policies, life income gifts, charitable gift annuities, charitable remainder trusts, or charitable lead trusts. Donors who make a planned gift to AUB are investing in the university, Lebanon, and the Middle East region. They are helping to ensure, in the words of our mission statement, that AUB will be able to continue “to provide excellence in education, to participate in the advancement of knowledge through research, and to serve the peoples of the Middle East and beyond” for generations to come.

The society itself is named for the clock tower on College Hall, the oldest building on the AUB campus. The clock tower, which can be seen from miles around, is a beacon rising high above the AUB campus. It is a symbol of the university’s enduring strength and resilience.

FINGERPRINTS

“I never imagined when I had this idea to launch a student-led scholarship fund in 2002,” remembers VP Imad B. Baalbaki, “that it would be so successful.” Fingerprints, which turns 20 this year, is a unique fundraising program for students by students. Under the close supervision of the Office of Development and the Office of Student Affairs, graduating students mobilize their classmates to leave their fingerprints behind as they graduate by donating to the Fingerprints Endowed Scholarship Fund. Many people have contributed to the success of Fingerprints over the years – the University Student Faculty Committee (USFC) that regularly contributes to the Fingerprints campaign; individual trustees who make matching gifts to increase the impact of students’ contributions; and – more than anything else – the graduating students who contribute to this singular initiative.

The class of 2022 was especially active – and generous – contributing more than \$107,000, mostly from students who chose to donate the full amount of their deposit – normally refunded to graduating students when they complete clearance – in support of Fingerprints. “It is truly remarkable that so many of our extraordinary students, many of whom are facing financial challenges due to the situation in Lebanon, stepped up to help other students, but I’m not surprised.” said Baalbaki. Fifty-eight percent of Fingerprints donors were themselves financial aid recipients; 30 percent of them benefited from donor-funded scholarships. “Our students are exceptional. Their generosity and compassion for each other touches my heart,” said Baalbaki.

Some Fingerprints donors, like mechanical engineering major Lama Rita El Shammass, also volunteered to be Fingerprints “ambassadors.” Lama, who is a member of the USFC, says that she loves Fingerprints because it gives students “the chance to help their fellow AUB mates.” Lama Rita says that many of her classmates feel the same way. “I think graduating students are eager to contribute as they want to give back in any way they can after the unmatched experience they had during their years at AUB.”

Like many AUB students, Fingerprints Ambassador Talal Kaddoura, who majored in finance, has faced challenges in recent years due to the financial and economic collapse of Lebanon. Having received financial support himself, he knows what a difference a scholarship can make. “Financial assistance played a crucial part in enabling me to complete my studies,” he says. Like Adnan, Talal was also prompted to become an ambassador because of the financial help that he received. “I felt like it was time for me to volunteer, especially to support such an amazing and helpful scholarship fund.”

The Fingerprints campaign was once again supported by the USFC that matched contributions up to \$50,000. “Fingerprints is one of the unique funds present at AUB and has supported the education of many students and continues to do so,” explained USFC VP Hasan Slika. “It is because of this firm belief in the importance of this fund that the USFC tries to support it in all ways possible.” All student contributions to the Fingerprints Endowed Scholarship Fund were matched by an AUB trustee, carrying on a long-standing tradition of trustee support. In previous years, matching funds were provided by the late Kamal Shair (former student), the late Ali Ghandour (former student), Farouk Jabre (BA ’58), Omar Alfardan, and Randa El-Sayed Haffar (BA ’90), as well as other trustees who chose to be anonymous.

Hundreds of students have benefited from Fingerprints scholarships over the years. Elio Baz, who is majoring in business administration, is one of them. “I would not be where I am today if not for AUB, and I would not be at AUB if not for the Fingerprints Scholarship that helped me to achieve my dreams,” he says. Another Fingerprints Scholarship recipient is Chirine Badro, who is majoring in medical laboratory sciences. “My dream of higher education would not be possible without the generous support of Fingerprints donors. The fact that this support comes from fellow students makes it all the more precious,” she says.

The Fingerprints Fund, which is now valued at over \$2.7 million, has so far provided more than 350 scholarships worth more than \$860,000 to AUB students like Elio and Chirine. “We’re just getting started,” said Baalbaki. “I’m looking forward to the next 20 years – and beyond!”

PARENT PROGRAM

Parents have a special relationship to any university where their children are students. The fact that many AUB parents – and grandparents – are also AUB alumni is a great source of pride for our university. Parents support their children in many ways. Some parents are able, and also want, to do more to benefit their children's university and become generous donors. Their gifts provide essential funding for AUB's scholarship program, research laboratories, extracurricular activities on campus, and capital projects. We salute our parent contributors – especially those (highlighted in the list below) who have made gifts in each of the last three years. Thank you!

1866 SOCIETY

The 1866 Society celebrates donors who have made a gift to the university of any amount in at least seven of the last ten years. This support is especially valuable during challenging times such as the ones that AUB has faced in recent years. We are deeply grateful to the new and returning members of the 1866 Society who made gifts to AUB in 2021-22.

The society, which was named for the year that the university was founded, now includes almost 850 alumni, parents, faculty, staff, and friends. 1866 Society members receive a recognition pin when they reach particular milestones: a bronze pin for 7 years of support; silver for 10 years; gold for 15 years; and platinum for members who have contributed for 21 or more years.

FINANCIAL ASSISTANCE AT AUB

AUB has been steadily increasing the amount it awards in financial support in recent years – from more than \$62 million in 2016-17 to almost \$89 million in 2020-21 as part of a long-term strategy to lower the barriers to quality education and to recruit the most qualified learners from Lebanon and internationally. The \$89 million that was awarded in 2020-21 includes more than \$13 million from donor-funded scholarships.

The need for financial assistance continues to grow due to the deteriorating economic circumstances in Lebanon, which were severely exacerbated by the impact of the August 4, 2020 explosion in the Beirut port. We launched several fundraising appeals during the 2020-21 fiscal year seeking support for our students. So many of you responded, contributing more than \$17 million in 2020-21 for current scholarships, which are urgently needed today, and for endowed scholarships, thereby ensuring that we will be able to continue to assist AUB students in the future. On behalf of our students, and of our university, thank you.

The profile of our student body has changed dramatically in recent years. There are now many more students receiving significantly more financial assistance than at any time in the university's history. This change is due to a decision made by senior university leadership six years ago to achieve a more socio-economically diverse student body – and a response to the devastating economic and financial situation in Lebanon since 2019, which has profoundly impacted so many of our students and their families. Because of the collapse, which is ongoing, the local currency has lost 90 percent of its value; local banks have frozen bank accounts and canceled student loans; and more than 70 percent of the population is living in poverty.

More than 65 percent of AUB students in 2021-22 received financial support. One in five AUB students is receiving full tuition support. The university expects to award about \$110 million in financial assistance in the upcoming (2022-23) academic year, an almost 50 percent increase in the last five years.

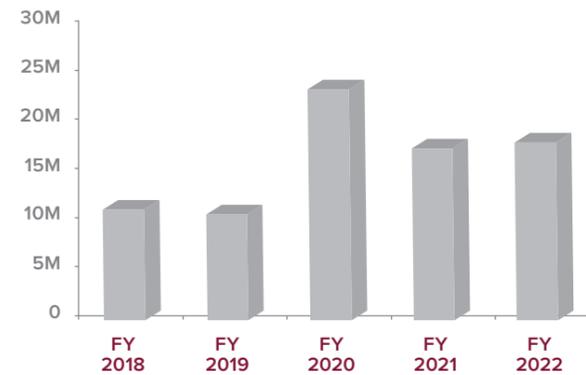

Financial assistance includes financial aid awarded by the university, financial aid grants, scholarships awarded to faculty and staff dependents, and donor-funded scholarships. There are 758 current and endowed donor-funded scholarships at AUB. Proceeds from these donor-funded scholarships provide critical funding to many AUB students, some of whom are also receiving partial support from other sources.

It is impossible to exaggerate the impact of donor-funded scholarships. They can make all the difference enabling students to stay in university until they graduate – or to accept an offer of admission. The scholarship that makes a university education possible also opens the door to a world of possibilities after students graduate including meaningful employment and financial security; a world in which that scholarship student is able to support her or his siblings, parents, and extended family including cousins, nieces and nephews, aunts and uncles (this is quite common); and – one day – become a scholarship donor themselves. In this way, donor-funded scholarships are having an impact not just on student recipients. They also impact the recipients' immediate and extended families – and their communities.

Because of the financial collapse in Lebanon during the 2021-22 fiscal year, donations were received and expenses were incurred in multiple currencies and at different exchange rates making it difficult to compare 2021-22 numbers with previous year numbers in real terms.

The AUB Scholarship Fundraising Committee was established as the College Hall Fundraising Committee to raise money to rebuild College Hall, which was bombed on November 8, 1991. That original campaign raised almost \$20 million. College Hall was rededicated in July 1999.

The current committee is chaired by Mohammad Shatila (BEN '95) and includes prominent alumni and friends of AUB who fundraise for AUB's financial aid program. The need for financial aid has never been greater than it is today when the families of so many students are facing unprecedented – and unexpected – financial losses due to the economic and financial collapse of Lebanon, the COVID-19 pandemic, and the devastating August 4, 2020 explosion in the Beirut port.

Despite these challenges, which are having a profound impact on AUB as well, our commitment to what President Khuri described recently as our “sacred mission to safeguard this essential institution and make it more sustainable, so it can teach generation after generation and lift them up through knowledge creation” has not

diminished. The members of the AUB Scholarship Fundraising Committee work to support that sacred mission.

The AUB Scholarship Fundraising Committee Endowed Scholarship, which was established in 2004, has a market value of \$652,330 (as of June 30, 2022). Proceeds from this fund have been used to award almost 115 scholarships worth around \$270,000 to 58 students since its inception.

Established in 2003 as a charitable fundraising initiative at the Children's Heart Center (CHC) at the American University of Beirut Medical Center (AUBMC), Brave Heart provides financial assistance for life-saving surgeries to underprivileged children diagnosed with congenital heart disease (CHD). Brave Heart has funded treatments for over 4,300 children in the last 19 years, including 117 heart surgeries and interventions in fiscal year 2021-22 in the midst of a socio-economic crisis in Lebanon. Brave Heart is a registered Lebanese NGO under notice 49/2020 Ministry of Finance #3682914.

The Brave Heart Fund is the first patient fund in the country dedicated to pediatric cardiac care and one of a very few NGOs actively providing financial assistance for needy children affected by CHD in Lebanon. The fund remains fully committed to its mission and donors; it spearheaded several awareness and fundraising activities in FY2021-22 to fund children's heart procedures and surgeries.

Continuing its digital fundraising strategy, Brave Heart raised funds online from its generous donors for the heart surgeries of Omar and Ibrahim, two young children who were treated at the CHC. On November 13, 2021, Brave Heart participated in the 5 KM "Run for

a Cause" event at the Beirut Marathon. One of eight NGOs selected to participate, the Brave Heart Fund attracted the largest group of runners (443) who ran for little hearts and to raise funds for heart interventions.

After two years during which it was unable to organize public events due to the pandemic, Brave Heart was – finally – able to host its first in-person gathering: a Christmas brunch on December 21, 2021 at Liza Beirut to celebrate the end of the year. Brave Heart friends and supporters mingled over a traditional Lebanese brunch and indulged in meaningful holiday shopping for loved ones and friends. As part of the holiday gift lineup, Lebanese streetwear brand Ta Gueule created a 3rd sweatshirt collaboration to save little hearts. Natural skin and body care manufacturer Salma Loves Beauty launched a new partnership with Brave Heart offering bespoke gift sets. The holiday collection also featured exclusive handmade embroidered jackets, Brave Heart socks by Sikasok, and totes by Constant Craving.

For Brave Heart's annual CHD awareness campaign in February 2022, partner agency Impact BBDO launched "Their life is not a game," a 3-week TV and online media campaign to shed light on how the ongoing crisis has affected children's health and the urgent need for donations to assist the 80 percent of families in Lebanon that cannot afford heart surgery for their children.

In celebration of Mother's Day, Brave Heart revived its famous Mama's brunch on March 21, 2022, hosting 50 ladies in a casual and friendly setting at Al Falamanki. It also held an online raffle offering online friends and supporters the chance to win valuable gifts generously donated by renowned Lebanese artists, designers, and hoteliers. On May 29, 2022, Brave Heart took part in the first street fair in Gemmayzeh held since the pandemic to create awareness and fundraise through the sale of its own merchandise.

In spring 2022, Brave Heart friends and supporters launched a variety of activities to fundraise for children in need: Dent de Lait pre-school, for example, supported Brave Heart in February and March 2022 by spreading awareness, encouraging donations, and selling Brave Heart merchandise to the community. For Valentine's Day, the women behind Eat like Izzy dessert shop donated all proceeds from the sale of chocolate-covered strawberries to Brave Heart. On the occasion of Good Friday, in April 2022, heart mom Sandy Ramia organized a special concert featuring renowned Lebanese gospel singer Carla Ramia. All proceeds from the event were donated to Brave Heart. Also in April, Tales of Stones, a luxury online jewelry curator in the US for Middle Eastern designers donated 5 percent of its net proceeds from jewelry sales to Brave Heart at a special event in Los Angeles. On June 1, 2022, spin studio Exhale Beirut organized two adrenaline-packed spinning classes in support of Brave Heart, donating all proceeds from the event to fund heart procedures. Also in June, the Nadine Fayad Art Gallery hosted a charity event to present acclaimed Lebanese artist Raouf Rifai's latest artwork collection, the Darwich Cedar exhibition, donating 30 percent of the sales to Brave Heart.

CANCER SUPPORT FUND

On March 1, 2022, the Cancer Support Fund and Al Bustan Music Festival organized a concert at the Halim and Aida Daniel Academic and Clinical Center with internationally-renowned Russian pianist, Boris Berezovsky – a joyous event that helped to alleviate the suffering of cancer patients. Also in March, in celebration of Mother’s Day, CSF volunteers distributed cookies and gifts to cancer patients.

One of the highlights of the year was the opportunity to welcome People to People Aid founder Wasseem Kabbara and US Ambassador Dorothy Shea to the AUB Medical Center. The occasion was prompted by a generous \$1.4 million donation from People to People Aid to support cancer patients.

CSF also benefited enormously from a photography exhibition, “Other Nations: A Journey Through Threatened Kingdoms,” organized by Lebanese photographer Michel Zoghzi at Dar El-Nimer. The exhibition, which featured stunning photographs that Zoghzi had taken during his global travels, yielded \$100,000 to support adult cancer patients.

CSF volunteers also participated in the Women Race on March 27 to fundraise for adult cancer patients; collaborated with Association Liban Avenir Meilleur (ALAM), a Swiss foundation, to distribute 276 food boxes to needy adult cancer patients and healthcare workers at the Naef K. Basile Cancer Institute; organized a football tournament with Lebanese Oncology Interest Group to fundraise for adult cancer patients on June 7; and hosted a signing ceremony on June 14 for a book written in Arabic (*It was a secret*) by cancer patient Maysaa Sharif.

The Cancer Support Fund (CSF) is a charitable initiative at the Naef K. Basile Cancer Institute (NKBCI) at the American University of Beirut Medical Center (AUBMC). CSF was launched in March 2018 in response to a pressing need in the region where cancer rates are on the rise and patients lack a comprehensive support system that will assist them throughout their medical treatment journeys. CSF is dedicated to increasing public awareness of cancer while providing financial assistance, emotional support, and advice to patients who need help. Since it was established, it has helped 1,068 patients, including 600 patients in 2021-22.

CSF organizes activities throughout the year – and did so again in 2021-22, despite the difficult circumstances. On February 4, 2022, on the occasion of World Cancer Day, CSF participated in a high-profile event that was held under the patronage of Prime Minister Najib Mikati. During the ceremony, Mikati acknowledged Dr. Ali Taher and Ms. Dahdah Abou Jaber for their efforts to support cancer patients and thanked AUB president Dr. Fadlo Khuri for the university’s noble and humanitarian mission.

THE CANCER SUPPORT FUND IS AFFILIATED WITH THE AUBMC ADULT CANCER INSTITUTE; DR. ALI TAHER, DIRECTOR, NAEF K. BASILE CANCER INSTITUTE. THE OFFICE OF DEVELOPMENT LIAISON IS WALID KATERGI, ASSOCIATE VICE PRESIDENT FOR DEVELOPMENT. WWW.CSF-LEBANON.ORG

The Focus Fund was established in 2016 to support child mental health at the AUB Medical Center (AUBMC). It supports activities and initiatives to promote child mental health including intellectual disability (ID), attention deficit hyperactivity disorder (ADHD), autism spectrum disorder (ASD), anxiety disorders, depression, eating disorders, and learning disorders (LD). The fund assisted 12 patients for a total of 87 visits during the last fiscal year.

In 2021-22, the fund supported the Child and Adolescent Psychiatry Fellow, patient care, research, and two internships.

The Friends of MS at AUBMC is an established group of committed volunteers that was launched in February 2012. It is working to increase MS awareness and to raise funds to support needy MS patients and MS-related research at the Nehme and Therese Tohme Multiple Sclerosis Center.

Since 2012, more than 480 needy MS patients have received financial support at the center for a wide range of services including lumbar punctures, blood studies, and radiology testing (MRIs, etc.).

The Friends of MS organized and participated in several activities last year including MS Patient Day on May 21, 2022; Patient Violin “Chilling Day” in collaboration with TIES AUBMC on May 23; and MS awareness days at the Daniel ACC Building at AUBMC, Building 23, and at the AUB campus on June 22-28 and July 1.

The Lebanese Breast Cancer Foundation (LBCF) was established in January 2011 by Dr. Nagi El Saghir and a group of committed breast cancer survivors and volunteers to raise awareness about breast cancer, promote early detection, and to provide financial assistance to underprivileged breast cancer patients so they can receive the treatment they need. The foundation has supported more than 4,000 breast cancer patients since it was established, including 586 women in 2021-22.

LBCF celebrated Mother's Day with a photoshoot at ABC Achrafieh, Verdun and Dbayeh – a special occasion for mothers and their families and a chance to celebrate how blessed we are to have mothers by our side.

We participated in the 10th anniversary of the Beirut Breast Cancer Conference (BBCC-10) by organizing a virtual workshop for NGOs to help them put out positive messages and be creative during these uniquely challenging times.

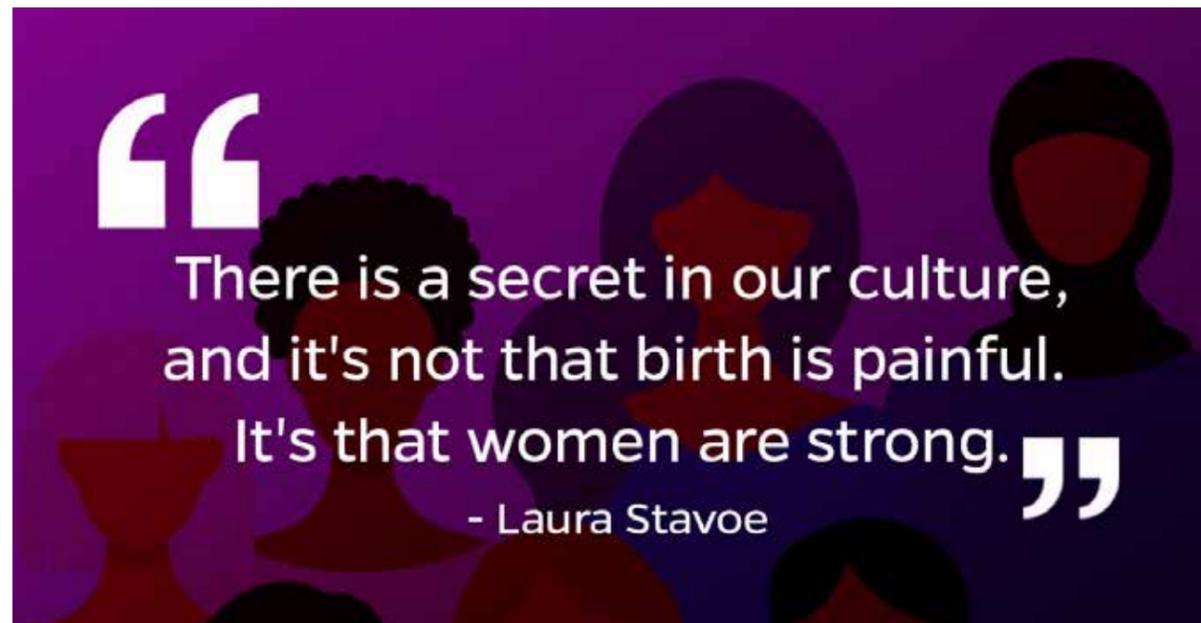

We also organized “For Her” on May 26, a workshop for advanced breast cancer patients. It was hosted by an oncologist and included advice from an oncology nurse, nutritionist, psychiatrist, and life coach. The goal was to provide advanced breast cancer patients with the tools they need to proactively confront the consequences of their disease.

Awareness sessions were organized throughout Lebanon – by doctors, nurses, survivors, and friends at various institutions, universities, schools, and municipalities such as Touch, Champs, Jizzine Hub, Lycee Abdul Kader – to stress the importance of early detection.

We also offered “heart pillows” and hair wigs to cancer patients, which were much appreciated.

The Neonate Fund was established in 2011 by five mothers to financially assist families of premature and sick newborns in need of specialized medical care at the Neonatal Intensive Care Unit (NICU) at the AUB Medical Center (AUBMC). It has provided financial support to 550 patients to date.

Neonate Fund volunteers continue to fundraise. They participated in the Beirut Marathon in November 2021 and received the most donations through the Beirut Marathon Association (BMA) platform. In March 2022, the volunteers organized a fundraising happy hour event at Le Grand Bar with Lebanese celebrity Maya Diab. More than 300 individuals attended the event to support the Neonate Fund. Maya Diab later visited the NICU at AUBMC and filmed footage that was used to promote her new song, “My mother, my mother,” which was dedicated to the Neonate Fund. It reached more than one million views on social media within 48 hours.

THE NEONATE FUND IS AFFILIATED WITH THE AUBMC NEONATAL INTENSIVE CARE UNIT; DR. KHALID YUNIS, DIRECTOR.

The OpenMinds Fund was established in July 2013 by a group of concerned parents and friends to assist children with special needs. It supports the activities of the AUBMC Special Kids Clinic (ASKC). Funds donated to the fund also support clinical and basic research projects at the AUB Medical Center. Since it was established, it has helped 565 families, including 135 families who received assistance in 2020-21.

OpenMinds volunteers organized a number of activities and events, as follows:

- Participated in Sarah's Bag Dubai Expo "I AM SPECIAL I AM ME," offering special tote bags and pouches for sale. These items are now sold at Toters, Librairie Antoine, Exhale, and are available on a Lebanese online site for concept stores.
- Ili Restaurant collaborated with restaurants in New York City and Washington, DC, and Zata in London, during Autism Acceptance Month.
- OpenMinds collaborated with Nok Nok, a Lebanese online platform, to receive donations in Lebanon.

- Donation boxes were placed at Aziz Delicatessen, EMAK Store, Ginette Restaurant, and Villeroy & Boch stores.
- Board Members Suha Beyhum, Rima Faddoul, and Rose-Mary Boustany hosted Special Advisor on International Disability Rights Sara Minkara and US Ambassador Dorothy C. Shea at the AUBMC Special Kids Clinic.

The OpenMinds Fund was featured in presentations, podcasts, and on TV, as detailed below:

- On September 12, 2021, Dr. Rose-Mary Boustany was featured in the American University of Beirut "Professors at Work" podcast, hosted by Rami Khouri, "She leads genes, cells, and molecules into battle against rare childhood diseases."
- Dr. Rose-Mary Boustany participated in "Autism in Lebanon in 2022," a seminar organized by the Faculty of Health Sciences.
- Dr. Rose-Mary Boustany was the featured guest on the fifth episode of "The Researcher," during which she discussed the latest research about autism with Dr. Imad Bou Hamad.

Dr. Boustany also co-authored two papers:

- S Saab, J Makoukji, K Kanaan, G Hassan, N Makhoul, J Soueid, P Trippier, R-M. Boustany. Flupirtine Derivatives as Treatment for CLN6 Disease (Poster-May 9/10 '22). Research of the Future: Challenges and Opportunities (AUB-6th CRSL Research Conference. Kamal Shair Auditorium AUB).

The mission of the President's Club is to raise funds to enrich student life at AUB. It does this in many ways including renovating classrooms, investing in athletic facilities, and supporting cultural events. Its impact can be seen throughout campus and in each and every student's "AUB experience."

One of the club's most successful initiatives over the years has been the Bench Campaign, which it launched in 2002. The campaign continues to attract support. More benches were adopted in 2021-22 bringing the total number of benches that has been adopted by alumni and friends so far to 126. There are still a few benches available for adoption.

Due to the pandemic and the challenging economic and financial situation in Lebanon, the club was not able to organize its annual fundraising gala last year. It continued to be active, however, meeting virtually throughout the year. The club also provided important funding for key initiatives on campus. "We are all eagerly looking forward to resuming our annual galas next year," said Club President Mrs. Eugenie Hosri.

The Sickle Cell Needed Patients Fund was established in 2012 by a group of committed volunteers, donors, doctors, and healthcare providers to raise funds so that financially disadvantaged patients can benefit from the state-of-the-art care that the AUB Medical Center provides to all patients. The fund has helped the families of 400 patients since it was established in 2012, including 250 patient families in 2021-22.

To commemorate World Sickle Cell Disease Day, members of the fund and the Sickle Cell Program team organized Shine the Light, an event to raise awareness of sickle cell disease (SCD) and help build a support network for people in the community living with SCD. AUB President Dr. Fadlo R. Khuri; Dr. Kamal Badr, representing the dean of the Faculty of Medicine, Dr. Raymond Sawaya; Dr. Mohamad Haidar, representing the Lebanese public health minister; director of the Sickle Cell Disease Program, Dr. Miguel R. Abboud; and president of the Sickle Cell Disease Fund, Mrs. Marwa Khouzami Awad, were among those who participated in the ceremony at College Hall, which was lit up in red for the occasion.

Dr. Nadine Noureddine spoke about her experience as a patient with sickle cell disease. The event was broadcast live on the AUB and AUBMC YouTube channels, and was covered by MTV and LBC, allowing community members to take part in the event remotely. The theme of the event was "Sickle Cell Matters." President Khuri thanked the team helping to raise money for patients and the medical team led by Dr. Abboud, that takes care of the patients. The efforts of these individuals, as Dr. Khuri noted in his remarks, are "a sign of continued hope" – the same hope that can be seen in sickle cell patients. He also lauded the members of the fund for being able to support 250 patients this year despite the circumstances that made it impossible to organize a gala dinner or fundraiser publicly. "This is one of the best examples of what AUB does and has to continue to do," said President Khuri.

THE SICKLE CELL NEEDED PATIENTS FUND IS AFFILIATED WITH THE AUBMC DEPARTMENT OF PEDIATRICS AND ADOLESCENT MEDICINE; DR. MIGUEL ABOUD, DEPARTMENT CHAIRMAN. THE OFFICE OF DEVELOPMENT LIAISON IS WALID KATERGI, ASSOCIATE VICE PRESIDENT FOR DEVELOPMENT.

For the last 41 years, the Society of the Friends of the AUB Museum, which now counts 181 members, has been organizing and sponsoring activities and events to promote and disseminate knowledge of Lebanese and Near Eastern heritage.

Recent years have been challenging with the 2019-20 civil demonstrations followed by the COVID-19 pandemic, the economic and financial collapse, and continuing with the August 4, 2020, Beirut port explosion. Through it all, the AUB Museum, under the auspices of curator Nadine Panayot, an associate professor of practice at AUB's Department of History and Archaeology, and with the support of the Society of the Friends of the AUB Museum, has taken on the challenges of the new reality through a series of initiatives designed to engage and even augment the museum's dedicated constituency.

The society continued to hold monthly meetings and to explore a range of strategies to promote the museum and showcase its priceless collection.

Shattered and Restored Glass Collection

With the support of the International Alliance for the Protection of Heritage in Conflict Areas (ALIPH) and the French Institut national du patrimoine (INP), the AUB Museum has restored a precious glass collection that was damaged by the August 4, 2020 explosion. It has also launched a series of conservation campaigns as detailed below:

- Restoring the broken glass vessels with Stephen Koob, who recently retired from his position as chief conservator of the Corning Museum of Glass in New York, and Claire Cuyaubère, a conservator from INP, as documented in a January 4, 2022, video by the US Embassy in Beirut.
- Collaborating with the Science and Technology in Archaeology and Culture Research Center (STARC) of the Cyprus Institute, the Institute of Archaeology at the University of Trier, the Institut français du Proche-Orient, AUB's Center for Advanced Mathematical Sciences (CAMS), the DigiTal Cultural Heritage (DITCH) Center at the Maroun Semaan Faculty of Engineering and Architecture, and the Department of Physics and the Department of History and Archaeology at the Faculty of Arts and Sciences to organize an international and multidisciplinary workshop. This workshop is the first in a series of initiatives that the museum is planning to support interdisciplinary investigations across faculties. Specialists were invited to guide and support the field of experiential and multilayered glass study. Four topics were explored during the two-day workshop:
 - » Archaeology/typology of glass
 - » Glass restoration
 - » Material science and glass
 - » Computer vision and glass reconstruction
- Eight broken vessels were carefully packed and shipped to the British Museum in London for restoration. They were accompanied by Museum Assistant Aimée Bou Rizk who spent three months at the British Museum assisting with the conservation work. There was an exhibition of the eight vessels at the British Museum in August 2022.

Lecture Series and Collaborations

The society organized two in-person lectures:

- “The archaeology of olive oil: British Museum excavations of a 4,500-year-old olive factory in Jordan” on November 10, 2021, by Dr. James Fraser of the British Museum.
- “Famous historical figures who set foot in Lebanon – from Ramses and Cleopatra to De Gaulle” on December 8, 2021, by the new president of the Society of Friends of the AUB Museum, Nohad Schoucair.

In addition, society members were invited to attend a lecture by leading Turkish scholar and archaeologist Dr. Gül Pulhan, honorary research fellow at the British Institute at Ankara: “Safeguarding and Understanding Archaeological Heritage in Turkey and Lebanon” on February 7, 2022.

The AUB Archeological Museum, in collaboration with the University Libraries, the Asfari Institute for Civil Society and Citizenship, the Issam Fares Institute for Public Policy and International Affairs, the Office of Communications, and the AUB MEPI Program co-organized a series of activities on March 8, 2022: “Mother Earth,” an art installation including an animated short film on goddesses of fertility through the ages. The exhibition featured 10 sculptures by the artist Andree Hochar Fattal. In cooperation with the Beirut Art Film Festival, “Sheherazade’s Diary,” directed by Zeina Daccache, was screened at the AUB Museum, followed by a discussion about the movie and critical gender issues confronting women in Lebanon.

Children’s Program

The Children’s Program was once again a great success. Here are some of the highlights:

- “Explore Castles with Digital Games” (December 19, 2021) was a one-of-a-kind experience for the children. Prof. Daniel Asmar and a team from

MSFEA set up digital equipment that had been programmed for the children so they could build games for various Lebanese archaeological sites such as Sidon and Mseylha. The virtual reality (VR) games were especially popular with the children.

- “Glass, Clay and Much More” (January 16, 2022), presented by Claire Cuyaubère, the glass specialist from France visiting Lebanon to restore some of the glass items lost during the August 4, 2020, explosion.
- “Celebrating Women: Create Your Own Idol” (May 22, 2022), which was linked with the “Mother Earth” installation at the AUB Museum. Sculptor Andree Hochar Fattal participated in the activity. The children created idols from clay after visiting the exhibition and being briefed on the importance of matriarchal societies through the ages.
- “Heritage-Healing/Healing-Heritage” (June 16, 2022). The Children’s Program teamed up with students from the International College (IC) and students taking part in the Collège Elysée “Talking Showcase” project. Inspired by Kintsugi (the Japanese art of repair) the Elysée grade five students engaged in a year-long program focused on surmounting their academic, emotional, and personal problems. Each student was asked to develop a story on how they overcame their anxieties and fears and then translate it into a QR code.
- The Children’s Program invited the Elysée students to meet a group of peers from IC at the AUB Archeological Museum, which has suffered its own share of losses.

Trips Program

Bright and early on June 4, 2022, a bus full of “friends” set off on the first AUB Museum trip in four years. There was a sense of liberation as they took the road south to Tyre, a UNESCO World Heritage Site – and the site of yet another

remarkable discovery! An international team currently excavating there had just revealed the remnants of a Roman period temple complex.

Tributes

On April 27, 2022, a remarkable nonagenarian took his seat among friends and relatives gathered in his honor. They were there to celebrate the life of Professor Samir Tabet, AUB vice-president emeritus and longstanding president emeritus of the Society of the Friends of the AUB Museum. The event, which was organized by the AUB Museum, featured a captivating operatic concert, an homage to a man who has given so much to AUB. In the presence of President Khuri and Provost Dawy. Dr. Panayot, curator of the AUB Museum, delivered a speech tracing Professor Tabet’s inspiring career as an accomplished academic and artist.

On May 18, 2022, the AUB Museum and Friends of the Museum honored Dr. Leila Badre for 45 years of curatorship. On behalf of the society, Dr. Arda Ekmekji delivered a captivating speech and presentation tracing the many achievements of Dr. Badre throughout her career.

In Memoriam

The society mourned the loss of two dear friends of the museum in 2021-22: the devoted supporter and generous donor Martha Sharp Joukowsky and the distinguished Cypriot scholar Vassos Karageorghis.

Curator’s Picks

Through the Curator’s Picks virtual series (more than 30 handpicked articles shared between August 2, 2021 and April 4, 2022), new archaeological findings, global museum news, and adaptations of new technologies to digitize collections, Dr. Panayot has demonstrated how and why museums worldwide are challenged to act responsibly by decolonizing their institutions, shifting their narratives, undertaking repatriation processes when deemed necessary and vital, while

embracing sustainability and inclusivity and playing a restorative and healing role.

Connecting Collections Initiative

Connecting Collections, an initiative founded by leading US university museums, highlights and promotes relationships between museum collections across the globe through the production of shared social media content. More than 20 institutions around the world participate in this initiative, including the AUB Museum, which comprises thematic monthly stories shared on social media sites such as Instagram and Facebook. These postings are promoted by partnering institutions to increase public awareness of the collective works. Museum Assistant Reine Mady is collating the AUB stories and following up on this initiative through social media.

Memberships and several of the activities described above help to support and enhance the museum. You can read more about the museum and its activities in the very attractive **online newsletter**, on the **museum’s website**, and on social media accounts: **Facebook** and **Instagram**.

WOMEN'S AUXILIARY VOLUNTEERS

Women's Auxiliary volunteers traditionally organize many activities throughout the year and volunteer their time and expertise to support the coffee shop, hospital, and Bargain Box at the AUB Medical Center (AUBMC). Their goal is to raise money for patients in need and to promote the nursing profession.

Because of the challenging circumstances in Lebanon, it has not been possible to open the coffee shop, which was an important source of funds in the past, for the last two years. The Bargain Box, however, remains open – when conditions allow – thanks to the dedication of a few volunteers.

Since its founding in December 2004, the Zaki Nassif Program for Music (ZNPM) has steadily grown, taking on additional responsibilities to preserve and promote the musical heritage of not just Zaki Nassif, but of his contemporaries as well. Through regularly organized concerts, conferences, and competitions, the program has introduced younger generations to Lebanese and Oriental music styles, particularly those of the golden era (1950-75). In this way, the program has had a considerable impact on the collective conscience of young people.

ZNPM concerts consistently attract large and enthusiastic audiences of all ages. Unfortunately, because of political disruptions and COVID-19 restrictions, most of the monthly events scheduled to take place as part of the program's annual festival, "Remembering and Discovering," between fall 2019 and fall 2021 were cancelled.

When the university decided to resume in-person teaching in October 2021, it became possible to organize a series of events, thanks to the sustained efforts of the core committee members of the Zaki Nassif Friends Club and the establishment of the "Ali Ghandour Endowed Fund," as detailed below.

A. Concerts by the AUB Zaki Nassif Ensemble for Arabic Music, under the baton of Maestro Fady Yaacoub:

1. Saturday, December 11, 2021: concert in collaboration with the AUB Neighborhood Initiative at Masrah Al Madina.
2. Thursday, February 10, 2022: concert, "So Much Good Time We Spent Together..." in Assembly Hall.
3. Monday, March 28, 2022: concert in collaboration with UNESCO at Hawd Al Wilaya School, "Li Beirut."

B. Other Concerts

1. Thursday, April 28, 2022: Fayhaa Choir, "A Ramadan Night."
2. Friday June 24, 2022: Jihad Akl and his band, on the occasion of AUB Class Reunion 2022.

C. Music Cultural Seminars supported by the Ali Ghandour Endowed Fund

1. Thursday, March 24, 2022: Sleiman Bakhti, journalist and art critic, "The Classical Arab Music Period (1920-1950)."
2. Thursday, May 12, 2022: Reverend Dr. Badih Al Hajj, Dean of the Faculty of Music at USEK, "Folklore and Renaissance Period (1950-75)."
3. Wednesday, June 15, 2022: Abido Bacha, journalist and art critic, "Music During the Period of Revolutions and Wars (1975-2000)."

D. In spring 2022, "Oriental Music Ensemble Practice I" was offered at AUB's Continuing Education Center (CEC) thanks to the "Ali Ghandour Endowed Fund" and support from the Provost's Office. The course is part of the music curriculum at CEC that offers certificates and diplomas in music practice. Maestro Fadi Yaacoub offered the course to a group of eight students – mostly from AUB. The students' final assignment was to perform at a concert, which took place on July 15, 2022 and was well attended.

WAAAUB CHAPTERS, BRANCHES, AND ALUMNI GROUPS

THE CURRENT MEMBERS OF THE WAAAUB ADVISORY BOARD ARE:

As President Fadlo R. Khuri noted recently, “Our alumni are doers of deeds, well prepared by the university and by life to make a difference.” They embody the values that define our university: personal integrity, civic responsibility, and leadership. They are also AUB’s greatest and most generous supporters. Time and time again, they have stepped up to support their alma mater during challenging times, such as the ones we are living through today. Alumni chapters raised urgently needed funds for student scholarships and needy patients seeking care at our medical center, volunteered for the AUB Alumni Mentoring Platform as mentors for students and other alumni, helped current students secure internships, and guided graduating students starting out on their careers.

Alumni and alumni chapters supported and helped to promote several high-profile global initiatives that AUB’s Office of Alumni Relations (ARO) organized in 2021-22 including the AUB4Beirut Run on September 17-19, 2021. Thirty alumni chapters of the Worldwide Alumni Association of the American University of Beirut (WAAAUB) participated in the global run helping to raise more than \$115,000

for student scholarships and to assist patients seeking care at the AUB Medical Center. More than 60 alumni chapters mobilized alumni and friends in support of Giving Day on December 6, 2021, which attracted more than \$1.38 million from alumni and friends in 42 countries in six continents. There was also strong alumni participation in the North American Alumni Reunion in February 2022, which was organized by ARO in North America, and Reunion 2022, which was organized by ARO Beirut and took place on campus on June 23-24, 2022.

Despite the pandemic and the need to practice social distancing, alumni chapters around the world were active. They organized picnics, hikes, happy hours, and networking events while also observing local public health guidelines. There were also holiday brunches, lunches, and dinners in December 2021 – and iftars in April 2022.

WAAAUB is the university’s global alumni organization. Its 64 chapters in 24 countries around the world work closely with AUB’s Office of Alumni Relations in Beirut and North America to support the university – and its alumni – helping to nurture a relationship that the university treasures. In spring 2022, elections took place for three alumni-elected positions on AUB’s Board of Trustees and four elected positions to the WAAAUB Advisory Board. A Nominating Committee (Rim J. Bassil, BBA '05; Fuad El Rassi, BS Chemistry '02, MD '06; Hamdun A. Hameed, BA Economics '85; and Haya Imam, BBA '99) and chaired by Abdallah Darwiche, (BE '75) developed the slate of candidates. More than 4,700 alumni (out of 49,000 alumni for whom AUB has valid email addresses) in 87 countries voted in the WAAAUB 2022 elections, yielding a participation rate of 9.6 percent. The three alumni elected to the Board of Trustees (Ricardo Karam, BS Chemistry '91; Sarine Karajerjian, (BS Environmental Health '04, MS Environmental Sciences '11); and Kamel Wehbe, (BA Political Studies '21) will join the Board of Trustees in March 2023, replacing Ghassan Abou-Alfa (BS Biology '88, MD '92), Leila Bissat (BA Sociology '76), and Salwa Darraj (BBA '13), who currently represents young alumni.

The four alumni elected to the WAAAUB Advisory Board and five alumni appointed by the president joined the nine alumni elected and appointed to four-year terms in fall 2019.

AUB4BEIRUT RUN 2021

AUB alumni and friends in 15 countries around the world (Australia, Bahrain, Canada, Cyprus, Germany, Ivory Coast, Jordan, Lebanon, Maldives, Qatar, Saudi Arabia, Switzerland, the UAE, the UK, and the US) took part in AUB4Beirut 2021 on September 17-19, 2021. “The primary purpose of the run is to rally our worldwide community to show solidarity for Lebanon and AUB during this terribly difficult time,” explained Associate Vice President for Alumni Relations-North America and general secretary of WAAAUB, AUB’s alumni association, Lina Jazi. “The great participation in the run shows how much so many people care – and that they want to support each other and do what they can for Lebanon. I am especially grateful to the people in Lebanon who took part – despite the challenges they are facing. They deserve special recognition and appreciation.”

Thirty WAAAUB alumni chapters and 590 individual participants mobilized their family and friends to raise more than \$115,000 for particular AUB initiatives including student scholarships, the Emergency Fuel Fund, and needy patients at the AUB Medical Center. Eighty-five donors supported the New England Chapter Run raising more than \$13,000 for the AUBMC Needy Patient Fund. The Toronto, Greater Los Angeles, Ottawa, UK, Houston, New York Metropolitan, and Baltimore Chapters were also especially successful in securing donations. The top individual participants were Racha Kabbara in Abu Dhabi, who raised almost \$5,400 from 32 donors, and Hiba Melhem Stancofski in Delaware, who raised more than \$5,200 from 44 donors. For the second year in a row, staff and friends of Sitti Restaurant in Raleigh, North Carolina also participated. “This event is becoming truly global with alumni and chapters

in five continents taking part this year,” commented Associate Vice President for Development, Alumni Relations and University Events Salma Dannawi Oueida.

“I am so proud of all of our alumni and friends for their efforts,” said Jazi. “Everyone is a winner in my book. We’re all in this together. I feel this so profoundly – that we are all one community for Lebanon, and for AUB.”

AUB NORTH AMERICAN ALUMNI REUNION 2022

More than 300 alumni and friends from 11 US states and Lebanon gathered in Huntington Beach, California on February 18-20, 2022 for the AUB North American Alumni Reunion 2022, which was hosted by the Orange County, Greater Los Angeles, and San Diego Chapters.

There were interesting panel discussions on the pandemic, entrepreneurship, and animation; a gala dinner on Saturday evening featuring entertainment by alumnus and stand-up comedian Nemr, a keynote address by President Khuri, and the presentation of a plaque to Ann Kerr-Adams, trustee emerita, by the Southern California WAAAUB alumni chapters “in deep appreciation of her service and dedication.”

In his speech, Khuri spoke about what AUB was doing to “become more impactful, more accessible, more inclusive, and – yes – more aspirational” – and about the challenges that the university was facing due to “a two-year stretch of almost unfathomable and unrelenting crises in Lebanon.” Khuri described AUB’s “secret sauce” – that it is a mission-driven university – and described AUB alumni as “a most important, and not always heralded, ingredient of the secret sauce of AUB.”

Khuri applauded AUB alumni for their strong engagement and stressed how enormously important it is to AUB. “As we explore ways and means to make our university more sustainable and impactful on Lebanon, the region, and the world, our alumni remain fully engaged, far from passengers, but rather active participants in this existential journey. We wouldn’t have it any other way, and I look to you to bring your best selves to the call for service to our great institution.”

AUB alumnus Dr. Bechara Choucair (BS ‘93, MD ‘97), chief health officer at Kaiser Permanente and former White House Vaccinations Coordinator, focused his insightful remarks on Saturday evening on the successes of the vaccine efforts in the United States, the need to expand that success to the whole world, and the hope that we will support a more robust public health system in this country in years to come. Choucair also spoke about his personal journey to the White House – a journey that began when he organized a public health campaign with several of his classmates when he was an MD student at AUB.

The reunion in southern California was also a fundraiser. More than 130 donors contributed \$240,000 for scholarship funds and to assist patients seeking care at the AUB Medical Center. “Before the weekend was even over, I was being asked about when we would be organizing the next alumni reunion,” said Lina Jazi, associate vice president for alumni relations in North America. “I guess that means everyone had a good time!”

CLASS REUNION 2022

Class Reunion 2022 took place on the AUB campus on June 23-24, 2022 – the first in-person reunion on campus since the outbreak of the COVID-19 pandemic in spring 2020. It was a joyous and memorable celebration.

The two-day event kicked off with the Honoring Ceremony in Assembly Hall on June 23 when AUB honored the members of the Classes of 1972 and 1997 celebrating their 50th and 25th graduation anniversaries. The Class of 1971, which was not able to celebrate commencement in 1971 because it was cancelled that year due to student protests on campus – and was also not able to celebrate its 50th reunion because of the pandemic – was also honored during Reunion 2022.

Associate Vice President for Development, Alumni Relations and University Events Salma Oueida welcomed celebrating alumni and their families. “You have all given back to AUB by carrying its name and legacy around the world through your different journeys and paths,” she said. “We are all so incredibly proud and humbled by your personal and professional achievements. We thank you for allowing us to celebrate these milestones with you.” President Khuri then addressed alumni and their families. He spoke about the recent Commencement exercises on the Green Field and the opening of AUB Mediterraneo in Pafos, Cyprus in April. He also spoke about the many important contributions that AUB alumni make to their alma mater. “There is no doubt about it. Our alumni’s contributions, their commitment, and their abiding loyalty, make AUB such a very special institution,” said Khuri.

Three alumni speakers spoke on behalf of the celebrating classes during the Honoring Ceremony: Mr. Jalal Bitar (BEN '71), founder and owner of EBCO BITAR, for the Class of 1971; Dr. Nasser Saidi (BA '72), president of Nasser Saidi & Associates, for the Class of 1972; and Lebanon’s Ambassador to Switzerland and the Principality of Liechtenstein Rola Nouredine (BA '94, MBA '97), for the Class of 1997.

The stunning Alumni Party on the Green Oval, which the Alumni Relations Office organized with members of the AUB African Club and Souk El Balad, also took place on June 23. On Friday, June 24, alumni and their families were able to sign up for half-hour tours of the AUB Museum, visit the “American University of Beirut: Lebanese roots with global footprints exhibit” at the Jafet Library, and attend a concert on the Green Oval in the evening with Jihad Akl and his band.

Another highlight of Reunion 2022 were the “virtual exhibits” that the University Libraries Archives & Special Collections Department prepared for the graduating classes celebrating their 50th and 25th graduation anniversaries featuring photographs, posters, publications, etc. – all hyperlinked to larger versions of the images or to the original full text of the publication.

“Being back on this campus with former classmates, family, and friends touches peoples’ hearts. You can see the power of the connection that unites our alumni community and keeps them connected to their alma mater – even after many years. Reunion is special – for all of us,” said Oueida.

Reunion is also special because of the Alumni Class Reunion Endowed Scholarship Fund, which is supported by AUB alumni and benefits children of AUB alumni. Since it was established in 2003, this endowed fund has grown steadily and is now valued at more than \$875,000. Proceeds from this fund totaling more than \$115,000 (generated income since inception) have been awarded to many needy students.”
