OFFICE OF THE REGISTRAR

March 22, 2023

Dear «FIRST» «LAST», «ID»,

We are writing to inform you that a new period to apply for graduation online for the Spring 2023 semester has been opened due to many requests. The period will be available from March 22, 2023, to March 31, 2023.

If you are expected to complete all of your graduation requirements by the end of May 2023 and be a candidate for graduation in Spring 2023, we encourage you not to miss this last chance to apply. Please follow the [link](#) to the announcement that was sent in the first call for applications and make sure to read and follow the instructions provided.

If you will not be graduating by the end of Spring 2023, you can ignore this email. We will be sending another email later for Summer 2023 candidates.

We wish you the best of luck with the rest of the semester.

Regards,

Office of the Registrar
