August 23, 2022

Dear AUB Students,

Kindly note that Change of schedule (drop & add) starts on Tuesday, August 30, 2022, and runs through Friday, September 2, 2022. Time tickets are already generated and will be updated on Monday, August 29, 2022. You can find this and other important dates in the [Fall Registration Guide](#). Please refer to the registration guides that we publish each term in order to facilitate your registration activities.

For a refresher on how to use the drop and add features in the system, please refer to this [video](#).

Continuing students who did not manage to register for any course during the regular registration phase (April 26 – August 12, 2022) must send an email that includes their ID number to the [Registration Team](#) so their status will be activated.

The [Office of the Registrar's website](#) gives you access to critical information that will help your administrative journey at AUB proceed more smoothly. Please take time to familiarize yourself with it. We wish you a great start to the Fall 2022-23 term.

Kind regards,

Office of the Registrar
