OFFICE OF THE REGISTRAR

May 11, 2023

Dear AUB Student,

At the beginning of the Spring 2022-2023 semester, you had been notified by the Office of the Registrar that you are required to complete the Mental Health E-course that has been assigned to you on Moodle. Throughout the semester, several reminders were sent for you to complete the course with a final reminder sent last week from the Students Services Office at your Faculty.

Unfortunately, you have not started/completed the e-course, which is why a hold has been put on your final grades **until you complete it**.

Please remember that, for you to access your certificate at the end of the course, you should score a minimum of 80% on the assessments.

The Mental Health E-course Team

For any inquiries, kindly contact Ms. Julia Zaydan: jz20@aub.edu.lb

Kind regards,

Office of the Registrar
