Dear AUB Students and Professors,

Please note that the final examination schedule for Spring 2020-2021 is now posted at the following links:

[By Date](#)

[By Course](#)

The final examination schedule must optimize the schedules of all students, ensuring that no student has a scheduled final examination in one class at the same time she or he has one in another. It ensures that final year courses with potential graduates have their examinations early in the schedule, and it makes sure that students have a sufficient break between each of their examinations. As you can imagine, with nearly 9,000 students attending courses at AUB, this presents an optimization challenge.

When we received preferences from professors, we tried to accommodate them, but it is not always possible to do so and maintain the optimization. Respecting your scheduled examination time will ensure that the final examination period runs smoothly.

Thank you for your collaboration and understanding.

Kind regards,

Bradley Jon Tucker  
Vice-Provost and University Registrar
