

January 15, 2020

Dear AUB Students and Professors,

Because of the effects of the current total lockdown on providing the needed support to students for advising, online course registration, and change of schedule, the University Senate voted today to delay the start of the spring 2020-2021 term until **Thursday, January 28, 2021**.

Two other calendar activities are also delayed.

Advising and online course registration for all new students will now run on **Tuesday and Wednesday, January 26 and 27, 2021**.

Change of schedule (drop and add) will run between **Friday, January 29 and Friday, February 5, 2021**.

The online calendar has been updated and can be found [here](#).

We regret any inconvenience and thank you for your kind collaboration.

Best regards,
Office of the Registrar
