DIGITAL SERVICES

UNI-ID-ACTIVATION

- Login at <https://gosa.gosa.uni-bonn.de>
- Set a new password
- Add & verify private mail address (Optional)
- Create a Mail-Alias

IMPORTANT: Deactivate translation tools!

To change the language to English please use the **flag icon** and NOT the automatic page translation

The screenshot shows a login form titled "Login" with a language selector "EN" and a dropdown arrow. Below the title, it says "Please use your Uni-ID and password to log into the Identity Management of the University of Bonn." There are two input fields: "Uni-ID" with a placeholder "e.g. s63amust" and "Password". A "Forgot password?" link is located at the bottom left, and a blue "Log in" button is at the bottom right.

GOSA

The screenshot displays the GOSA user interface. On the left is a vertical navigation menu with the following items: **Information**, Person, **My Uni-ID**, Uni-ID, Email, OECAPS, Change password, and Multifactor authentication. The main content area is titled **Information** and contains several interactive cards:

- Person**: Edit person settings
- My Uni-ID** section containing:
 - Uni-ID**: Manage my own Uni-ID
 - Email**: Manage email settings
 - OECAPS**: OECAPS plugin
 - Change password**: Change user password
- Multifactor authentication**: Manage multifactor authentication

ECAMPUS

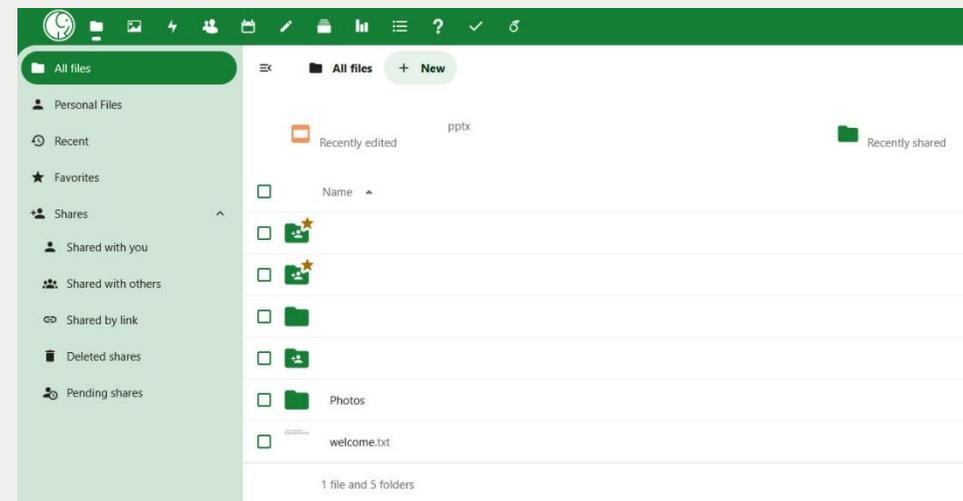

- Login at <https://ecampus.uni-bonn.de>
 - Teaching materials for courses
 - Coordination of learning groups
- Tests
- IMPORTANT: eCampus is not a mail-service**

The screenshot shows the eCampus Learning management system interface for the University of Bonn. The header includes the eCampus logo and the text "eCampus | Learning management system of the University of Bonn". A navigation sidebar on the left contains icons for Repository, Website, and Support. The main content area is titled "Repository" and includes a welcome message: "Welcome to the learning platform of the University of Bonn" and "eCampus is the central teaching and learning platform of the University of Bonn. You will find the learning content, information and eLearning offers of the faculties and institutions in the following repository categories." Below this, there are three columns of content:

- Courses:** All eCampus courses from the electronic course catalog (BASIS)
 - » [Summer semester 24](#)
 - » [Winter semester 23/24](#)
 - » [All semesters](#)
- Institutions:** Further eLearning offers of the central and decentralized institutions
 - » [central institutions](#)
 - » [decentralized institutions](#)
- Courses from partner universities:** Released courses of the University of Cologne and the Heinrich-Heine-University (HHU) Düsseldorf
 - » [Courses from partner universities](#)
