

Operation Regulations of the Innovation Center for Education

Established on August 19, 2016

Article 1 (Purpose) These regulations seek to prescribe the necessary matters for the organization and operation of the Innovation Center for Education (hereinafter referred to as “Center”) of the Pohang University of Science and Technology (hereinafter referred to as “University”).

Article 2 (Functions) The Center shall study and develop an innovative educational model for educational excellence and provide various educational support business/services based on the model.

Article 3 (Organization) ① The Director of the Center shall be appointed by the President of the University.

② The Director of the Center shall represent the Center and oversee its operation.

③ If necessary, the Center may have an Associate Director who shall be appointed by the President of the University at the request of the Director of the Center.

④ The Associate Director shall assist the Director of the Center and act on his/her behalf in his/her absence.

Article 4 (Advisory Committee) ① The Center shall have an Advisory Committee to deliberate -- and pass a resolution -- on its overall important matters.

② The Director of the Center shall be appointed as Chair of the Advisory Committee, which shall consist of 15 or less faculty members including the Director and Associate Director. The Committee members shall be appointed by the President of the University at the request of the Director of the Center.

③ The Advisory Committee shall be convened when deemed necessary by the Chair of the Committee or when 3 or more members make such request.

④ The Advisory Committee shall pass resolutions through a majority vote by a quorum of the members

⑤ The Advisory Committee shall deliberate on the following matters:

1. Matters concerning the operating plan of the Center

2. Matters concerning the establishment, amendment, and abolishment of the detailed rules necessary for the enforcement of these regulations and the operation of the Center

3. Matters concerning the selection of the relevant R&D projects and assessment, if necessary

4. Other important matters concerning the operation of the Center

⑥ If necessary, a Specialized Committee shall be organized under the Advisory Committee; the matters concerning its composition and operation shall be determined separately.

Article 5 (Research Staff Members) For research and development, the Center may have tenure-track research faculty members and researchers, affiliated research faculty members and researchers, and visiting research faculty members; personnel matters concerning their status and remuneration may be governed by the relevant personnel regulations of the University, with the details to be determined separately.

Article 6 (External Adviser) If deemed helpful to the efficient operation and R&D of the Center,

an External Adviser may be appointed.

Article 7 (Student Assistant and Student Consultant) ① A Student Teaching Associate who shall assist in the smooth operation of the Center and fulfillment of the relevant duties may be appointed.

② A Student Consultant who shall assist in the operation of the Center and efficient communication and dissemination may be appointed.

Article 8 (Mutatis Mutandis Application) The rules and regulations of the University shall apply *mutatis mutandis* to matters other than those provided for by these regulations.

Article 9 (Detailed Regulations, Etc.) The detailed rules, internal rules, etc., necessary for the execution of these regulations may be determined separately.

Addendum

These regulations shall be established and take effect on August 19, 2016.
