Message from Chair, Board of Management Sharjah Clinical and Surgical Training Center Vice Chancellor, Medical and Health Sciences Colleges, Dean of the College of Medicine

As the COVID-19 pandemic continues to impact our daily lives, our center's commitment to train healthcare professionals has never been more important. We are privileged at CTC to have such a dedicated staff who continue to strive forward during this challenging time to deliver excellence in providing training and development programs.

I thank all the companies, participants and faculties for being the part of CTC during this time and for their continuous support

Prof. Qutayba Hamid

Message from Director of Sharjah Clinical and Surgical Training Center

Welcome to the CTC newsletter for January, 2021, where we reflect on our activities held during the last month.

We have been continuously working towards providing quality training programs that will enhance the knowledge and skills of Health care professionals. We have adopted new methodologies to deliver these programs via online and blended learning.

CTC is also strictly following the precautionary measures by adhering to University of Sharjah COVID-19 Policies and Procedures.

I thank all the organizers, companies, participants and faculties for being the part of this center during this tough times.

Prof. Nabil Sulaiman
