**Message from Chair, Board of Management
Sharjah Clinical and Surgical Training Center
Vice Chancellor, Medical and Health
Sciences Colleges, Dean of the College of
Medicine**

I would like to seize this opportunity to thank all the Partners, Organizers, Participants and Health care Professionals who came and attended courses at Sharjah Surgical Institute, University of Sharjah during the month of January, 2021

It is our mission to provide wide range of facilities and programs that enhance the training experience. I sincerely hope to see all our Partners, clients and Participants in the future as well and get benefit from Hands-on experience, knowledge and expertise.

Enjoy the newsletter and stay safe.

Prof. Qutayba Hamid

**Message from Director of Sharjah Clinical and
Surgical Training Center**

Welcome to the CTC newsletter for February, 2021, where we reflect on our activities held during the last month.

At CTC our goal is to provide outstanding clinical and surgical training for health care professionals as the beacon of surgical and clinical training in UAE, GCC and MENA region. This center of excellence aims at advancing the surgical and medical professional education through upskilling of health professionals to improve their clinical competence and patient care leading to better patient safety.
