

Call for Applications for the academic year 2026/27 Erasmus+, Switzerland and Worldwide

Master in Money, Macro and Finance (MMF) Master in International Economics and Economic Policy (MIEEP)

The Faculty of Economics and Business calls for applications for its Erasmus+ exchange programs (exchange in Europe) and its worldwide exchange programs outside Europe for winter semester 2026/27 (starting in Aug./Sept./Oct. 2026). The period for studies abroad is one semester.

Available Places 2026/27

We would like to point out that the listed partner universities and number of exchange places correspond to our current level of information. Accordingly, please check this list frequently. We will make changes on the call for application if partner universities communicate adjustments. Even after the application deadline there is no guarantee that the study places can be filled as advertised.

Please check the websites of the potential host universities and check the website of the [Auswärtige Amt](#) for safety information for the country of your choice.

The expected exchange places (pl.) and the Master Program (MMF/MIEEP) are listed in brackets below. Please note the additional information for the partner universities marked with *.

Who can apply?

- Students in the Master programs BWL or Management Science
- Students in their first semester who will spend their third semester, i.e. the winter semester 2026/26 at the partner institution.

Fees:

Partner Universities of the Faculty do not charge tuition fees.

Funding:

Erasmus+ (exchange with European partner universities)

The Erasmus+ program provides partial funding for all partner universities in Europe. The scholarships vary between 540 and 600 Euros per month depending on the host country. Please see for reference the past scholarship rates for 2025/26 [here](#). The rates for 2026/27 will only be communicated in summer 2026.

Switzerland

Switzerland is no longer participant in Erasmus+, but has the status of a partner country. You will need to apply through Erasmus+ anyway and your application will be internally forwarded to the Swiss Mobility Program. There will be no tuition fee for your exchange and the scholarship will be organized through the [Swiss-European Mobility](#).

World Wide Exchange and Partner Universities outside the European Union:

There is no guaranteed funding for exchanges outside of Europe. However, you can apply for the [PROMOS program](#) of the German Academic Exchange Service (DAAD). Exchange stays are funded exclusively with a partial scholarship rate for the stay (€350–550 per month). The rate depends on the respective destination country (see PROMOS funding rates [here](#)) and is determined by the DAAD. The application process is

organized centrally by the Global Office. You only need to apply after you were selected for an exchange at a partner university. Application deadline for the PROMOS scholarship for the exchange in the fall semester 2026/2027 only takes place beginning of May 2026.

Please check [this](#) website for further information and contact information of the Global Office.

Partner University Selection

You have four choices. You may also select less than 4 universities. Please name only universities where you truly wish to study!

Please check in the course catalogues of the partner universities which courses are offered in English. At some universities the number of courses offered in English is quite limited.

We expect you to read the course offer of the partner universities and the internet pages of the universities of your choice thoroughly and to inform yourself about semester periods, costs of living and alike. [Past Student Reports](#) can help you get further information. Please check if the study program of the partner university meets your expectations and fits into your curriculum. Please carefully think about which university to select. It is not possible to change your choice after the application has reached us. We are not able to give your place to somebody else which means that if you do not accept your slot it will be lost. Your selection is compulsory!

Language Requirements:

Please be sure to check the respective language requirements for the universities on our website under "Exchanges in Master Programs" ("Austausch in den Masterstudiengängen"):

[Partner Universities in Europe](#)

[Partner Universities Worldwide](#)

No proof in the form of a high school diploma (Abitur) will be accepted unless the certificate explicitly states that the language acquisition gives you unrestricted access to foreign universities. The standard language of instruction is English (exception: German for Austria.) Some Universities ask for a TOEFL or IELTS. Most universities accept B2 (B2.1 or B2.2) or C1 (C1.1 or C1.2) certificates. You only have to provide **one** language proof. If there is no language test listed the partner university does not require any language test.

B2/C1 certificates do not expire. TOEFL and IELTS expire after 2 (your certificate has to be valid when applying at the partner university) years but if there is also a B2 certificate listed as a language option for the partner university (e.g. University of Liège in Belgium is listed with TOEFL, IELTS **or** B2) it is acceptable to have a TOEFL/IELTS which is older than 2 years.

Multiple applications to different exchange programs

You may apply for the regular one-semester exchange programs (Erasmus+ and worldwide), the QTEM Program and MMF students can also apply to the Double Master program simultaneously. Please refer to the corresponding (separate) call for applications and use the specific application form and submit a separate application for the QTEM program/double Master program.

Please note that the QTEM Program and double Master program have priority over the regular exchange programs (Erasmus+ and worldwide) meaning if your application for those programs is successful, you will not be admitted to the regular one-semester exchange program (Erasmus+ or worldwide).

Required Application Documents:

- [Application form 2026/27](#)
- **If applicable [Erasmus+ Online-Application](#):** if you put a European Partner University -including Switzerland- in your preferences and hence wish to study at an Erasmus+ institution, you need to fill in the [Erasmus+](#)

[Online-Application](#) (for Academic year 26/27 only possible after December 20^h 2024) of the central Global Office of Goethe University. For this application it is also required to upload some documents (CV, letter of motivation, transcript, language certificate, study certificate). Please note that you simply upload your motivation letter you wrote for your first priority university, even if this is a motivation letter for a worldwide partner university.

When you have finished the Erasmus+ Online Application you have to “print the Erasmus+ Application form” and sign it. Please add this document to your application. Should you have further questions about the Erasmus+ Online Application, please refer to the Global Office of Goethe University, Email:

outgoing@wiwi.uni-frankfurt.de

- **Letter of motivation** in English (Exception for Austria: German or English) explaining your reasons for studies at the University of your first choice only. It should comprise around 4,500 letters without space letters.
- **CV in English** (Exception for Austria: German or English).
- **If applicable Language certificate:** Please check the respective language requirements for the universities on our website under “Exchanges in Master Programs” [Partner Universities in Europe](#) , [Partner Universities Worldwide](#)
- **Copy of Bachelor’s degree** including transcript of records (in English or German)
- **If applicable Certificate(s) showing your voluntary social commitment** at the Faculty, at the University or outside the University. The certificate must show the kind of your social commitment as well as the intensity and the period of your commitment.
- **Enrollment certificate** (“Studienbescheinigung“, not “Semesterbescheinigung“) for the winter semester 2025/26.

How to submit the application documents

Please send your documents as one PDF file to the International Office of the Faculty (“Auslandsbüro“) using the following email address: azell@wiwi.uni-frankfurt.de and state “Application Master exchange – Your respective Master’s Program (BWL or IM or MMF or MIEEP)” in the subject line. You will be notified once your application has been received.

Application deadline: February 1st 2026

**Incomplete applications or applications arriving after the deadline will not be considered!
It is not possible to submit certificates or other documents after the application deadline unless we ask you to do so!**

Selection criteria:

The selection is based on the following criteria:

- Grades and duration of studies (70%)
- Voluntary social commitment at Goethe University or outside academia, overall quality of application, letter of motivation (30%).

In case the quality of applications is equal places will be allocated according to the luck of the draw.
