Dear Prof. Dr. Martha C. Enger,

We were extremely glad that your institution applied for an ORPHEUS Label renewal. The Labelling Board has now considered the report of the evaluators, and has recommended to the President of ORPHEUS that the Medical Faculty of the University of Bergen should be awarded, once again, the ORPHEUS Label for the next six years.

We will be happy to present the new ORPHEUS Label to you during the ORPHEUS General Assembly in Cavtat, Croatia, on April 11<sup>th</sup>.

Sincerely

Prof. John Creemers
