Summary

Bachelor's and Single cycle degree programmes

Requirements to submit the enrolment application

The requirements to submit the enrolment application for a Bachelor's or Single cycle degree programme are the following:

1. to be pre-enrolled;
2. to be admitted, based on the type of degree programme, as per the following table:

Unlimited access degree programmes	Limited access degree programmes
Verify the acquisition of the TOLC test within your Uniweb account, in correspondence with the pre-enrolment.	Take the required test and be admitted in the ranking list.

The ranking list criteria (when applicable), the access requirements, the procedures to be followed and deadlines to be met for all the access phases of each degree programme are indicated in the relevant Call for admission: https://www.unipd.it/avvisi-ammissione-corsi.

The procedures are explained in the following paragraphs. They are different for those who access the first year through a standard procedure (1) or with exemption from taking the TOLC test (as per the credit recognition deliberation: https://www.unipd.it/en/credit-recognition-ita) (2).

1. Standard enrolment application

The instructions to proceed with the enrolment are going to be published in this document starting from 1st July 2026

2. Enrolment application with TOLC test exemption

The instructions to proceed with the enrolment with TOLC test exemption are going to be published in this document starting from 1st July 2026

Master's degree programmes

Requirements to submit the enrolment application

The requirements to submit the enrolment application for a Master's degree programme are the following:

1. to be pre-enrolled in the of interest;
2. to be admitted, according to the degree programme requirements.

Access to Master's degree programmes is based on the possession of certain minimum curricular requirements and on the verification of personal preparation; in some cases, a test or interview is also required. In any case, it is necessary to submit an application for the evaluation of these requirements, following a specific online procedure.

For limited access degree programmes, it is also necessary to be "admitted" in the ranking list.

For unlimited access degree programmes, it is sufficient to verify that you have obtained the status of "eligible" (idoneo), within the pre-registration carried out in your Uniweb profile.

Information on requirements, assessment criteria, possible tests/interviews to be taken and deadlines to be met are available in the relevant Call for admission: https://www.unipd.it/avvisi-ammissione-lauree-magistrali.
