Campaigning rules & guidelines.

All Campaigning activity is subject to the Arc Regulations. Please refer to the Regulations extract within this document for further information

Each candidate must abide by and inform their supporters(s) and campaigner(s) of the Arc Regulations and Guidelines, including the necessity to observe these requirements at all times.

All campaigning

All candidates for election nominate and run independently of Arc and no candidate is endorsed or supported by Arc. The Arc logo must not be used in any candidate's campaign material.

Online & Social media

- Reminder that Arc will not actively monitor online forums and social media platforms.
- All campaign posts must include the name and zID of the ticket authoriser, or candidate authorising the campaign. The exception to this, is if the candidate is posting on their own personal social media platform, their authorisation of the content is implied.
- Sponsored or paid social media posts, or other forms of paid advertising are not permitted.
- Publicity on any dating sites/apps is prohibited.
- No candidate(s) or campaigner(s) may create or use email lists, whether self-generated or otherwise, of UNSW students for the purpose of campaigning or spam emails. The exception being where a student has explicitly signed-up for a mailing list.
- Any student receiving campaigning via direct messaging (whether on social media platforms, email, text message etc) may request to be removed from future messaging. The candidate(s) and/or campaigner(s) involved must remove the student within 24 hours.
- Use of UNSW Learning Platforms such as Moodle for the purposes of campaigning is prohibited.

On-campus campaigning

Campaigners may campaign in-person across campus during the permitted dates. Campaigning is not permitted in areas such as:

- The Library
- Pedestrian accessways (including entries and exits to buildings)
- Near emergency exits
- Vehicle access points
- On roadways
- Study Areas
- Areas where groups of students have assembled for another purpose e.g. in a lecture
- Disability Pathways
- SRC & PGC Spaces
- Arc Spaces

The use of A-Frames is permitted, however they must not be left unattended and must be placed on grass where possible. If A-Frames are found to have damaged any area or surface this permission may be revoked. The set-up of stalls and tables across campus is not permitted. Campaigners are reminded to respect the personal space of students and are prohibited from following students around on campus. Students have the right to exit the conversation at any point in time.

Personal Devices

Campaigners are prohibited from touching and/or handling the personal devices of students in an attempt to 'pre-fill' voting for students.

Postering

Postering is permitted on-campus, on UNSW Noticeboards and Arc's temporary campaigning posterboards. Campaigners must abide by these Campaigning Guidelines and [the Promotional and Advertising Guidelines for UNSW Campuses on the UNSW Planned Events Website](#). Campaigners must comply with all directions from Estate Management and/or UNSW Security.

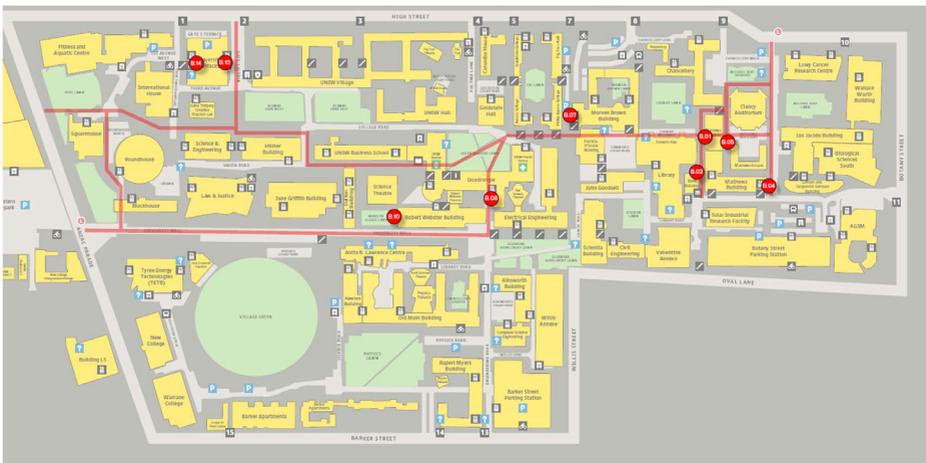

The following is NOT permitted:

- Postering on top of UNSW signage (this includes building signage, wayfinding signage and classroom signage)
- On ANY surface that is not explicitly for postering, including on metal bins and painted surfaces

Important Postering Information:

- Arc has installed temporary poster boards across campus for SRC & PGC Elections. Please utilise these where possible (one poster per poster board where a 4-sided pillar is considered to have 4 separate poster boards).

- Noticeboards overall should allow every candidate an opportunity to publicise their candidature. The Returning Officer will monitor usage with the intention of giving all candidates a fair opportunity. If necessary the Returning Officer or their delegate will redistribute space by personally removing posters and advising the candidates involved of this action.
- For poster on UNSW Noticeboards: Use tack pins or tape. Do not use glue or other adhesives which may ruin the noticeboards
- For poster on the temporary posterboards (Arc Branded): Use blu-tac, painter's tape or regular 'sticky' tape. Please don't use heavy duty/packing tape as this ruins the posterboard surfaces.
- Campaigners are encouraged to make environmentally conscious decisions whilst developing and disseminating campaign materials.
- Campaigners must remove all poster and signage across campus within 48 hours of voting closing.

Events

- Arc events, including Arc Club events cannot be used to address groups of students for campaigning purposes, including displaying or distributing campaign material.
- Should an Arc publication (i.e. Gamamari, Blitz) facilitate an event, q&a session, debate, article or similar, the Returning Officer must approve the use of any material in any way, unless already released publicly by the publication.

What to do if you think there's a breach

If the Returning Officer is present, report directly to them. Otherwise, document any relevant information and contact Philip Binns (the Returning Officer) via email to returning.officer@ozemail.com.au or phone 0432 218 026.

Should you witness or experience any misconduct in the form of harassment, bullying, explicit messaging etc, please report this to the relevant party (i.e. UNSW Security, Returning Officer, social media platform). If online, you are encouraged to block the relevant party where necessary. You may also wish to [report to UNSW](#) if necessary.

Concerns & Appeals

Should you wish to raise any concerns regarding the conduct of the Returning Officer, you should reach out to the Arc Executive Officer who will assess and escalate accordingly.

Should you wish to appeal a decision made by the Returning Officer, refer to Arc Regulations S10.25 for the relevant appeals process.
