

# ENTRANCE REQUIREMENTS

Admission to the School of Art is on a highly selective and competitive basis; preparing an application requires a high degree of capability and commitment. Applicants must hold a bachelor's degree from an accredited college or university or a diploma from a four-year accredited professional art school. In exceptional cases in light of the differences among educational structures and opportunities in the international art world today, the admissions committee may waive academic credential prerequisites if other proof of preparation and accomplishment is deemed a sufficient equivalent.
