

Research Resources

Reminder: Bloomberg Nursing's Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses (e.g., how to access Redcap, NVIVO); and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as, the [U of T Guide on the new Tri-Agency narrative CV](#), the [Resource Hub](#), and the [Video Library](#) of past events. Plus, check the CRIS [Calendar of events](#), for upcoming events, such as [Project Management](#) for Research (January 16, 2025, 11 am – 12 noon).

Sign up for CRIS Compass: <https://cris.utoronto.ca/about/cris-compass/> - the CRIS bi-monthly newsletter.

If you missed a session, presentations and slide sets of past events are often available on the [CRIS website](#).

The [University of Toronto's international opportunity](#) page lists several collaborative opportunities available to faculty. **Deadlines vary.**

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

The [Pediatric Oncology Group of Ontario Research Trainee Grant](#) **application deadline is January 1, 2026**. Funds available: Maximum \$5,000. This grant is offered four times a year: deadlines are January 1, April 1, July 1, and October 1.

The [Centre for Graduate Professional Development](#) Healthy Research Teams and Labs is offering seed funding. **Application deadline is January 23, 2026**. The grant funds initiatives that support development and delivery of grassroots efforts to enhance the experience of working in research teams at U of T. value: \$5,000 maximum for one year.

The [Connaught PhDs for Public Impact Fellowship Program](#) **application deadline is January 29, 2026**. Value: \$12,500 for one year – of this, \$10,000 is a top-up to the student funding package and \$2,500 is for project expenses and/or professional development. **Eligibility: PHD/SJD registered throughout 2026-2027**, in good academic standing, and have completed at least the first year of their program at time of application.

The [Ted Rogers Transform HF Collaboration Grant](#) **application deadline is February 1, 2026**. Maximum per grant: \$10,000 for one year. Three categories, all in support of new partners and early-stage projects: proposal development, collaborative project activities or Knowledge Keeper compensation; preliminary project research

and data collection; research proposal writing and editing.

[AMS Healthcare Small Grant in Compassion](#) and artificial intelligence application deadline is February 10, 2026. Value: \$30,000.

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements, and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New International Opportunities

[Work as an expert evaluator for Horizon Europe](#) funding opportunities. Improve your chances of success; be compensated if you do any reviews; network with Horizon Europe officials; add to your CV.

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content, and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

New CIHR Opportunities

The [CIHR Early Reviewer in Training Program](#) will launch January 7, 2026, with an **application deadline of February 4, 2026**. There are two streams: Mentees, who write practice reviews on up to three applications; and ECR reviewers, who review up to five applications. In addition to a CIHR Biosketch, applicants will need a letter from a CIHR eligible institution attesting you are eligible to participate as an ECR.

Operating Grant: [Advancing 2S/LGBTQI+ health through research](#). **Registration deadline February 11, 2026, with full application due March 19, 2026**. This grant will advance research to address health needs, inequities and strengths of the community, broaden and strengthen engagement in 2S/LGBTQI+ health research, strengthen research and community capacity, and support knowledge mobilization strategies.

New SSHRC Opportunities

Notice of Upcoming Opportunity: 2026 [International Joint Initiative for Research Harnessing](#) Disruptive Technologies to Address Global Challenges – focusing on the SDGs, which include health and wellbeing. Launch anticipated in winter 2026; no funding amounts announced yet. This is an interdisciplinary and international program.

Reminder – these competitions are still open

Canadian Opportunities

The [AMS Fellowship in Compassion and Artificial Intelligence](#) letter of intent deadline is January 8, 2026. Value: Up to \$75,000 to early and mid-career academic researchers and regulated healthcare professionals. 12 awards

will be made. This opportunity is open to university faculty **but also to those who have a graduate degree and are in practice (and are able to hold funds at their institution).**

The [Global Institute of Psychosocial Palliative & End-of-Life Care](#) (GIPPEC) Collaborative Research Grant **application deadline is January 7, 2026**. Three awards of up to \$20,000 will be offered in clinical innovations in palliative care; palliative care and public health; and global cancer control. Principal applicant or co-principal applicant must be affiliated with GIPPEC, the Division of Palliative Medicine at U of T or the Princess Margaret Global Cancer Program.

The Canadian Institutes of Health Research Institute of Health Services and Policy Research and the Canadian Association for Health Services and Policy Research [inaugural Health Services and Policy Research Impact Award](#) **application deadline is January 15, 2026**. The award recognizes impact that has contributed to transformation of health systems, improved people's lives or generated social or economic benefits. Value: \$10,000, and opportunity to present article at CAHSPR 2026. The [Article of the Year Award](#) (a peer-reviewed journal article published in past year that has significantly contributed to field of HSPR) **is January 15, 2026**. Value: \$10,000 and chance to present at CAHSPR.

The University of Toronto's Data Sciences Institute [Doctoral Student Fellowship](#) **application deadline is January 23, 2026**. Value: \$25,000 per year for up to three years. Applicants' research must have a data sciences focus, through development of novel methodology or innovative application of existing approaches. [The Postdoctoral Fellowship](#) **also has a deadline of January 23, 2026**. Value: \$63,000 and up to \$7,000 towards benefits for one year.

The [Canadian Pain Society postdoctoral fellowship](#) for Canadian Veterans with Chronic Pain **application deadline is February 2, 2026**. Value: \$70,000 for one year.

The [Canadian Heart and Stroke Foundation Personnel Awards for Black Scholars](#) **application deadline is February 12, 2026, at 3 pm eastern**. These awards are open to Master's and **Doctoral students** who identify as black and who are studying in an area specific to heart or brain health. Value: \$120,000 (i.e., \$40,000 per year for a maximum of three years); salary support only.

International Opportunities

The [World Sleep Academy](#) **application deadline is January 1, 2026**. This is an online global training program of World Sleep Society designed for healthcare professionals in underserved regions who want to increase their expertise in sleep medicine.

The [Greenwell Foundation](#) Making a Difference Grant **Letter of Intent deadline is January 5, 2026**. The Foundation is interested in proposals that address the **ethical issues** raised by the following priority topics: trust in science, medicine, and public health; bias and discrimination in health care; public health crises, including their impact on mental health; healthcare access, costs, and resource allocation. Full application by invitation only.

The [National League of Nursing](#) Education Research **Grant application deadline is January 21, 2026**. This grant is open only to NLN members. Value: US\$30,000.

The [Swedish Childhood Cancer Fund](#) is calling for proposals for postdoctoral fellowships for childhood cancer research. This competition is open to international applicants if they intent o pursue a postdoctoral fellowship in Sweden (two years; value: 500,000 Swedish Krone). **Application deadline is February 2, 2026**.

CIHR Grant Opportunities

[Health System Impact Embedded Early Career Researcher](#). **Application deadline February 4, 2026.** This competition supports ECRs in establishing a career pathway with a university and partner organization. Eligibility: early career researcher who is an independent researcher with a faculty appointment at a Canadian university by application deadline (**open to PhDs** who will have graduated and been appointed to a tenure-stream position by February 4, 2026). Open to all citizenship (Canadian, PR, other country). Matching funds required (1-1) from host organization. Salary of up to a maximum of 70% including benefits or \$70,000 per year for four years from CIHR. Research and professional development allowance (minimum of 30% or \$30,000).

[Team Grant: Beyond treatment – advancing cancer survivorship](#). **Registration deadline: February 24, 2026; full application due May 20, 2026.** The objectives of this funding opportunity are to advance understanding risks and developments of late and long-term toxicities and complications, and identify strategies to improve survivorship care (re: host, lifestyle, environmental, social and other intersectional factors), foster and enable interdisciplinary team science, bridge the gap between research and practice, and strengthen research capacity in the field. Research areas include breast cancer survivorship, Indigenous peoples' health, pediatric cancer survivorship, reproductive and sexual health in breast cancer survivorship, and more. Funds available: \$18,000,000, enough to fund approximately nine team grants. Maximum per grant is \$400,000 per year for up to five years for a total of \$2,000,000 per grant.

Webinars:

- January 13, 11:00 AM – 12:30 PM ET | [Register here](#).

[Project Grant](#): **Registration deadline February 4, 2026, with full application due March 4, 2026.**

[Team Grant: Healthy Youth \(2025\)](#). **Registration deadline April 28, 2026, with full application due June 16, 2026.** Key design elements: Leadership (independent researcher, KU, youth with lived/living experience); youth engagement; intersectoral and multi-disciplinary teams; equity, diversity and inclusion; Indigenous rights; building and/or bridging capacity; knowledge mobilization. Applications must address at least two of the six priorities in Canada's youth policy and be relevant to IHDCYH's Empowered Youth Area of Focus. Also, research focus is on: First Nations, Inuit or Metis Youth Health; Youth Health in Equity-Denied Communities; Circulatory and Respiratory Health in Youth; Type 1 Diabetes and Psychosocial Health in Youth. Funding available: \$10,500,000 enough to fund approximately seven team grants. Maximum amount per year: \$1,500,000 over five years. **There will be an information webinar on January 29, 2026, 12 pm eastern ([link to be provided later](#)).**

[CIHR Research Excellence, Diversity, and Independence \(REDI\)](#) early career transition award 2025. **Application deadline is June 16, 2026.** This two-phase program will support trainees from underrepresented groups. Awards begin seeking an independent research position during mentored Phase 1 and are expected to transition to this position in Phase 2, within 3 years of the funding start date. Stream A is for trainees who self-identify as Black (any gender), racialized women, or racialized gender-diverse people; Stream B is for trainees who self-identify as First Nations, Inuit, Métis (any gender). Trainees must be one of a PhD holding postdoctoral researcher; a clinician (MD, DVM, DDS) or PhD holding allied health professional in either postdoctoral or faculty position (non-research) or a RA or equivalent who holds a PhD at a CIHR eligible institution. Funds available: \$34,500,000, enough to fund approximately 50 awards and 50 community engagement and knowledge mobilization supplements. Maximum amount per award is anticipated to be \$90,000 per year for up to three years (\$70,000 per year for the stipend, \$20,000 per year for the research allowance); and followed by \$120,000 per year for up to three years. \$1,500,000 is available in the KM supplementary funding; each applicant can receive up to \$5,000 per year in additional funding for up to six years. **Webinar: [December 1, 2025, 2:30 pm – 4 pm](#). Info session #2 late January 2026; Q&A session for applicants March 2026.**

SSHRC /Other Federal Agency Funding Opportunities

The [SSHRC Storytellers challenge](#) is open to PhD students. In 3 minutes or 300 words discuss your own SSHRC funded research or that of a researcher at your institution (get their permission). **Submission deadline: January 20, 2026.** Open to student permit/via holders.

[SSHRC Connection Grant](#) application deadline **February 2, 2026**; U of T researchers must submit approximately one week before. Funds: \$10,000 to \$50,000 over one year for short-term targeted knowledge mobilization events and activities.

[Insight Development Grant](#) application deadline **February 2, 2026**. University of Toronto researchers must meet earlier deadlines (internal admin deadline of noon, Thursday, January 22, 2026, and full application on SSHRC site by 9 am, Wednesday, January 28, 2026). Value: \$10,000 to \$100,000 for 1-2 years. U of T offers a [webinar](#) on December 12, 2025.

[Partnership Stage 1](#) Grants application deadline is **February 10, 2026**. U of T researchers must meet earlier deadlines. Value: up to \$2,500,000 over 5-7 years. **Stage 2 by invitation only, deadline is October 29, 2026.**

Research Updates

Tri-Agency Updates

Tri Agency [open access policy](#) on publications anticipated to be released in 2026 with an adequate transition period before new requirements come into effect.

University of Toronto updates

University of Toronto guideline on the [use of Artificial Intelligence](#) by University administrative staff.

[Indigenous substantiation framework](#) to be introduced at the University of Toronto.

Other Updates

Upcoming Events

New events and calls for abstracts

The [Canadian Anesthesiologists' Society](#) annual conference will be held in Ottawa, ON, June 5-7, 2026. **Abstract submission deadline is January 18, 2026.**

The inaugural [Princess Margaret Hematology & International Lymphoma Radiation Oncology Group Conference](#) will be held March 26-28, 2026, in Toronto, ON. **Abstract submission deadline is January 26, 2026.**

The [International AIDS Conference](#) will be held in Rio de Janeiro, Brazil and virtually, on July 26-31, 2026. **Abstract submission deadline is January 27, 2026.**

The [HSR Global Symposium on Health Systems Research](#) will be held in Dubai, in November, 2026. Abstract submission is now open. Deadline for Organised (i.e., 90-minute sessions such as participatory sessions or panel presentations) and Capacity-strengthening (i.e., participatory or panel presentations) is **January 30, 2026**; Deadline for individual poster presentations is **March 13, 2026**. Conference theme is Future-focused Health Systems in a Changing World. There are four sub-themes: politics and polycrises; plurality and partnerships; platforms and participation; pathways and planet.

The [15th Congress of the European Pain Federation](#) will be held in Glasgow, April 21-23, 2027. **February 1, 2026, is the submission deadline for suggestions** for plenary sessions and timely topics or any other input.

The [Canadian Critical Care Nursing Conference](#) will be held September 29-30, 2026, in Charlottetown PEI. **Abstract submission opens January 5, 2026, and closes February 26, 2026.**

The [American Aging Association](#) annual meeting will be held in Provo, UT, June 2-5, 2026. **Abstract submission opens January 9, 2026; deadline is February 27, 2026.**

The [38th European Conference on Philosophy of Medicine and Health Care](#) will be held in Rotterdam, The Netherlands, August 25-28, 2026. **Abstract submission deadline is March 1, 2026.** The theme is “The dynamics of medical transformations: Society, technology, knowledge and ethics”.

The [European Society of Cardiology Congress](#) will be held in Munich, Germany, and online, August 28-31., 20-26. **Abstract submission deadline is March 1, 2026.**

The [58th Congress of the International Society of Paediatric Oncology](#) will be held in San Antonio, TX, September 15-18, 2026. **Abstract submission opens in December 2025; deadline is March 17, 2026.**

The [10th International Nurse Education Conference](#) will be held in Edinburgh, UK, November 1-4, 2026. **Abstract submission deadline is May 15, 2026.** The Conference theme is “Resilient futures: Transforming nursing and midwifery education in a changing world”. Subthemes include transforming the practice learning environment; new technologies, AI, simulation and social media in teaching and practice; lifelong learning supporting professional development and leadership in nursing and midwifery; and more.

Calls for Meeting Abstracts Still Open

[Academy Health’s](#) annual research conference will be held in Seattle, WA, May 30 – June 2, 2026. **Abstract submission deadline is January 6, 2026.**

The [Council of International Neonatal Nurses](#) annual conference will be held in Darwin, Australia, August 25-28, 2026. **Abstract submission deadline is January 7, 2026.**

The [European Stroke Organisation Conference](#) will be held May 6-8, 2026, in Maastricht, Netherlands. **Abstract submission deadline is January 7, 2026.**

The [European Society of Cardiology Heart Failure](#) conference will be held online and in Barcelona, Spain. **Abstract submission deadline is January 8, 2026.**

The [Professional Society for Health Economics and Outcomes Research](#) annual conference will be held in Philadelphia, PA, May 17-20, 2026. **Abstract submission (research abstracts) closes January 9, 2026.**

The [Canadian Association of Schools of Nursing Biennial Canadian Nursing Education](#) Conference will be held June 1-2, 2026, in Mississauga, ON. **Abstract submission deadline is January 12, 2026.** The theme is Rising to responsibility: Educating the nurses for the future.

The [International Agency for Research on Cancer](#) international scientific conference will be held in Lyon, France, May 19-21, 2026. **Abstract submission deadline is January 12, 2026.** Themes include digital health, implementation research, health system resilience, commercial determinants of health, and more.

The [European Lung Cancer Congress](#) will be held in Copenhagen, Denmark, March 25-28, 2026. **Abstract submission deadline is January 13, 2026.**

The [Canadian Association for the History of Nursing](#) annual conference will be held in Toronto, ON, May 29-31, 2026. **Abstract submission deadline is January 15, 2026.** The theme is “Nursing humanities and historical imaginations: Exploring the context and politics of nursing across time, place and medium”.

The [European Alliance of Associations for Rheumatology](#) (EULAR) annual conference will be held in London, England, June 3-6, 2026. **Abstract submission deadline is January 15, 2026.**

The [National Rural Health Association’s](#) annual conference will be held in San Diego, CA, May 19-22, 2026. **Abstract submission deadline for original research is January 15, 2026.**

The [Canadian Association for Health Services and Policy Research](#) annual conference will be held in Ottawa, ON, May 25-28, 2026. **Abstract submission deadline is January 18, 2026.** Themes include care for seniors, pharmaceutical policy, health policy, equity and vulnerable populations, and more.

The [27th World Congress](#) of the International Association of Child and Adolescent Psychiatry and Allied Professions will be held in Hamburg, Germany, July 1-4, 2026. **Abstract submission deadline for oral and poster presentations is January 20, 2026.** Topics include child and adolescent psychiatry interventions and services; policy, advocacy, ethics and participatory research; and more.

The [International Society for Quality of Life Research](#) 33rd conference will be held in Prague, Czech Republic, October 18-21, 2026. **Abstract submission deadline (Workshops and Symposia) is January 26, 2026.** Abstract submission opens for oral, brief and poster presentations in early March 2026.

The [European Society of Medical Oncology’s Breast Cancer](#) annual congress will be held in Berlin, Germany, May 6-8, 2026. **Abstract submission deadline is January 27, 2026.**

The [American Society of Clinical Oncology](#) annual meeting will be held in Chicago, IL, May 29-June 2, 2026. **Abstract submission deadline is January 27, 2026.**

The [Association of Cardiovascular Nursing and Allied Professions](#) annual conference will be held June 12-13, 2026, in Sophia Antipolis, France. **Abstract submission deadline is January 29, 2026.**

The [McGill International Palliative Care Congress](#) will be held in Montreal, QC, October 6-9, 2026. **Abstract submission deadline is January 31, 2026.** Topics include communication; critical approaches to palliative care; implementation science and strategies; nursing; and more.

The [World Federation of Pediatric Intensive and Critical Care Societies](#) annual conference will be held in Melbourne, Australia, September 26-30, 2026. **Abstract submission deadline is February 1, 2026.**

[Infection Prevention and Control Canada](#) annual conference will be held May 24-27, 2026, in Toronto, ON. **Abstract submission deadline is February 2, 2026.**

The [International Society for Quality in Health Care](#) annual conference will be held in Dublin, Ireland, September 27-30, **2026. Abstract submission deadline is February 4, 2026.** Patient tracks include external evaluation; future of healthcare: innovation, AI and Digital Transformation; Quality Improvement; Patient safety; and more.

Requests for Manuscripts

New Calls for Manuscripts

The [Journal of Applied Gerontology](#) (Sage, IF 2.0) is calling for papers for a special issue on Cancer and Aging: Advancing Research and Care for Older Adults. **Abstract submission deadline is January 16, 2026.** Full application by invitation) May 11, 2026).

The [Canadian Journal of Pain](#) (Taylor and Francis, IF 2.1) is calling for papers for an article collection on Digital Health and Pain Management. Areas of interest include digital interventions, electronic medical records, training for healthcare practitioners, and more. **Submission deadline is February 15, 2026.**

The [International Journal of Women's Health](#) (Taylor and Francis, IF 2.6) is calling for papers for an article collection on cervical cancer screening: From detection to management. Topics of interest include addressing health disparities; implementation challenges; and more. **Submission deadline is April 1, 2026.**

[Nurse Education Today](#) (Elsevier, IF 4.2) and [Nurse Education in Practice](#) (Elsevier, IF 4.0) are calling for papers for a joint special issue on the Nursing and Midwifery Educator Workforce: Global perspectives on academic identity, sustainability and the future of professional education. **Submission deadline is May 29, 2026.**

[Archives of Psychiatric Nursing](#) (Elsevier, IF 2.2) is calling for papers for a special issue on the impact of mental health policy on the mental health workforce. **Submission deadline is August 28, 2026.**

Continuing Calls for Manuscripts

[The Patient](#) (Springer, IF 3.4) has several open calls for a variety of collections, including patient-reported outcomes; patient preferences in oncology; good practice in health preference research.

The [Journal of Cancer Education](#) (Springer, IF 1.3) has two ongoing calls for collections (no deadline): Emerging leaders in cancer education and cancer education empowering Indigenous populations.

The [International Journal for Equity in Health](#) (BMC, IF 4.1) is calling for papers for a collection on gendered ageism in healthcare: a critical analysis of structural inequities. **Submission deadline is December 19, 2025.**

The [Journal of Genetic Counseling](#) (Wiley, IF 1.9) is calling for papers for a special issue on (Re)imagining the future of genetic counseling. **Manuscript submission deadline is December 31, 2025.**

[Psycho-Oncology](#) (Wiley, IF 3.3) is calling for papers for a special issue on clinical psychology and oncology: State of the art of integrated care. **Submission deadline is December 31, 2025.**

[Nurse Education Today](#) (Elsevier, IF 4.2) is calling for papers for a special issue on Novel methodologies in nurse education research: Tackling the complexity of demonstrating educational outcomes. **Submission deadline is December 31, 2026.**

The [International Journal of Older People Nursing](#) (Wiley, IF 2) is calling for papers for a special issue on Nurses' health and well-being: Challenges, innovations, and solutions. **Submission deadline is January 31, 2026.** Topics of interest include workplace violence; moral and ethical well-being; racism, bias, and discrimination; and more. **Participating journals in this special collection are** [International Nursing Review](#) (IF 3.7); [Journal of Advanced Nursing](#) (IF 3.4) via [Healthy Work Environments](#); [Journal of Child and Adolescent Psychiatry Nursing](#) (IF 1.5); [Journal of Clinical Nursing](#) (IF 3.5); [Journal of Nursing Scholarship](#) (IF 2.9) – submit to Mental Health; [Journal of Psychiatric and Mental Health Nursing](#) (IF 2.9); [Journal of Renal Care](#) (IF 1.15); [Nursing in Critical Care](#) (IF 2.6), [Nursing Open](#) (IF 2.3); [Nursing Philosophy](#) (IF 2.5); [Research in Nursing and Health](#) (IF 2.4); Scandinavian Journal of [Caring Sciences](#) (IF 1.8); and [Worldviews on Evidence-Based Nursing](#) (IF 3.8).

[Seminars in Oncology Nursing](#) (Elsevier, IF 2.3) is calling for papers for a special issue on psychosocial issues in cancer care. **Submission deadline is February 1, 2026.**

[Medical Education Online](#) (Taylor and Francis, IF 3.8) is calling for papers for an article collection on supporting healthcare workers and patients with disabilities in medicine. **Manuscript deadline is February 26, 2026.**

The [Journal of Evaluation in Clinical Practice](#) (Wiley, IF 2.1) is calling for papers for a special issue on understanding how knowledge is used in practice: cross-disciplinary approaches. **Submission deadline is February 28, 2026.**

[Nursing Research](#) (Lippincott, IF 2.2) is soliciting manuscripts for a special issue on **Statistics in Nursing Science**. This call builds on a 2012 special issue and editorial on statistics in nursing research, extending that conversation to today's challenges and opportunities. The goal of this issue is to highlight current advances in statistical and data science methods that strengthen rigor, reproducibility, and importance in nursing science. **Deadline for submission: [March 1, 2026].** This focused issue reflects on progress since 2012 and highlights the next generation of methodological priorities for nurse scientists. The issue is planned for late 2026 or early 2027. **Submission details:** Manuscripts should be submitted via *Editorial Manager* at www2.cloud.editorialmanager.com/nres/default.aspx. In the cover letter, denote submission for the **Statistics in Nursing Science** Special Issue. For questions, please contact the Editor (Rita Pickler) at pickler.1@osu.edu or the Special Issue Guest Editor (Matthew Hayat) at hayatm@muscedu

[Australian Critical Care](#) (Elsevier, IF 2.7) is calling for papers for a special issue on Patient and Family Engagement in Intensive Care Research and Clinical Care. **Manuscript submission deadline is March 10, 2026.**

[Nursing Open](#) (Wiley, IF 2.3) is calling for papers for a special issue on disrupting the status quo: nurses and midwives driving equity in healthcare. **Submission deadline is March 27, 2025.**

The Canadian Association of Schools of Nursing's Journal, [Quality Advancement in Nursing Education](#), is calling for submissions for a special issue on the relationship between AI and knowledge in nursing education. **Submission deadline is March 30, 2026.**

The [Journal of Advanced Nursing](#) (Wiley, IF 3.4) is calling for papers for a special issue on future proofing person-centred fundamental care – harnessing technology and artificial intelligence for success. **Manuscript submission deadline is March 31, 2026.**

[Seminars in Oncology Nursing](#) (Elsevier, IF 2.3) is calling for papers for a special issue on Quality and Safety in Oncology. **Manuscript submission deadline is April 21, 2026.**

[Critical Public Health](#) (Taylor and Francis, IF 2.8) is calling for papers for an article collection on fresh perspectives on Peer recovery work: Wages, value, and justice in the care economy. **Manuscript submission deadline is April 30, 2026.**

The Asia-Pacific Journal of Oncology Nursing (Elsevier, IF 2.8) is calling for papers for a special issue on patient-reported [outcomes in oncology nursing](#). **Submission deadline is April 30, 2026.**

The [Archives of Psychiatric Nursing](#) (Elsevier, IF 2.2) is calling for papers for a special issue on Navigating the Digital Age: The impact of technology on mental health across the lifespan. **Manuscript submission deadline is May 15, 2026.**

[Bioethics](#) (Wiley, IF 2.1) is calling for papers for two special issues. Disability, bioethics and medical AI has a **submission deadline of May 15, 2026**. Under what circumstances should Voluntary Assisted Dying be permitted has a **submission deadline of July 20, 2026**.

[Nursing Philosophy](#) (Wiley, IF 2.6) is calling for papers for a special issue on The problem(s) of pain in nursing: Philosophy, practice, and the method(s) of management. **Submission deadline is May 15, 2026.**

The [Asia-Pacific Journal of Oncology Nursing](#) (Elsevier, IF 2.8). is calling for papers for a special issue on nursing management of periprocedural pain. **Submission deadline is June 30, 2026.**

The Journal of Evaluation in Clinical Practice (Wiley, IF 2.1) is calling for papers for a special issue on [accountability, oversight and considerations of AI implementation in health care](#). **Submission deadline is June 30, 2026.**

The [Asia-Pacific Journal of Oncology Nursing](#) (Elsevier, IF 2.8) is calling for papers for a special issue on Nurses Advancing Oncology Research: From clinical trials to nurse-led innovation. **Submission deadline is July 31, 2026.**
