

Major: Atmospheric and Oceanic Sciences

PLAN 1- Includes physical sciences' prerequisites (i.e. MATH 31, 32, and 33 series, CHEM 20 series, and PHYSICS 1 series)

YEAR 1									
FALL			WINTER		SPRING		SUMMER		TOTAL UNITS
Course	Units	Course	Units	Course	Units	Course	Units		
MATH 31A	4	MATH 31B	4	MATH 32A	4				
CHEM 20A	4	CHEM 20B	4	PHYSICS 1A	5				
Total Units	8		8		9		0	25	

YEAR 2									
FALL			WINTER		SPRING		SUMMER		TOTAL UNITS
Course	Units	Course	Units	Course	Units	Course	Units		
MATH 32B	4	MATH 33A	4	MATH 33B	4				
PHYSICS 1B	5	PHYSICS 1C	5	AOS 51	4				
AOS M71	4	AOS 90	4						
Total Units	13		13		8		0	34	

YEAR 3									
FALL			WINTER		SPRING		SUMMER		TOTAL UNITS
Course	Units	Course	Units	Course	Units	Course	Units		
AOS 101/ AOS 103*	5	AOS UD Core	4	AOS UD CORE	4				
				AOS UD ELECTIVE	4				
Total Units	5		4		8		0	17	

*Students interested in meteorology, air quality, or atmospheric chemistry track should enroll in AOS 101. Students interested in oceanography track should enroll in AOS 103. Both courses are taught in Fall only.

YEAR 4									
FALL			WINTER		SPRING		SUMMER		TOTAL UNITS
Course	Units	Course	Units	Course	Units	Course	Units		
AOS UD CORE	4	AOS UD ELECTIVE	4	Non-AOS ELECTIVE	4				
AOS UD ELECTIVE	4	Non-AOS ELECTIVE	4						
Total Units	8		8		4		0	20	

NOTES:

1. This is a sample program plan that **ONLY** includes major requirements. For questions on college requirements and GE's, please contact CAAC. Each student's actual program plan may differ depending on various factors such as GE's, college requirements, previous credits (i.e. transfer credits, AP credit, etc.), course schedule, and course availability.
2. Students are strongly advised to work with academic counselors from CAAC and their home department to determine a personal program plan.
3. Students in PLAN 1 can switch to PLAN 2 while complete major prerequisites.
4. In addition to AOS 101 and 103, the other four core classes are AOS 104, M105, 107, and 112

PLAN 2- Includes life sciences' prerequisites (i.e. MATH 3 series, CHEM 14 series, and PHYSICS 5 series)

YEAR 1									
FALL			WINTER		SPRING		SUMMER		TOTAL UNITS
Course	Units	Course	Units	Course	Units	Course	Units		
MATH 3A	4	MATH 3B	4	MATH 3C	4				
CHEM 14A	4	CHEM 14B	4	PHYSICS 5A	5				
Total Units	8		8		9		0	25	

YEAR 2									
FALL			WINTER		SPRING		SUMMER		TOTAL UNITS
Course	Units	Course	Units	Course	Units	Course	Units		
PHYSICS 5B	5	PHYSICS 5C	5	AOS 51	4				
AOS M71	4	AOS 90	4						
Total Units	9		9		4		0	22	

YEAR 3									
FALL			WINTER		SPRING		SUMMER		TOTAL UNITS
Course	Units	Course	Units	Course	Units	Course	Units		
AOS 101/ AOS 103*	5	AOS UD Core	4	AOS UD CORE	4				
				AOS UD ELECTIVE	4				
Total Units	5		4		8		0	17	

*Students interested in meteorology, air quality, or atmospheric chemistry track should enroll in AOS 101. Students interested in oceanography track should enroll in AOS 103. Both courses are taught in Fall only.

YEAR 4									
FALL			WINTER		SPRING		SUMMER		TOTAL UNITS
Course	Units	Course	Units	Course	Units	Course	Units		
AOS UD CORE	4	AOS UD ELECTIVE	4	Non-AOS ELECTIVE	4				
AOS UD ELECTIVE	4	Non-AOS ELECTIVE	4						
Total Units	8		8		4		0	20	

Major: Atmospheric and Oceanic Sciences (Transfer)

YEAR 1 at UCLA

FALL		WINTER		SPRING		SUMMER		TOTAL UNITS	
Course	Units	Course	Units	Course	Units	Course	Units	Units	
AOS M71	4	AOS 90	4	AOS 51	4				
AOS 101/ AOS 103*	5	AOS UD Core	4	AOS UD CORE	4				
				AOS UD ELECTIVE	4				
Total Units	9		8		12		0		29

*Students interested in meteorology, air quality, or atmospheric chemistry track should enroll in AOS 101. Students interested in oceanography track should enroll in AOS 103. Both courses are taught in Fall only.

YEAR 2 at UCLA

FALL		WINTER		SPRING		SUMMER		TOTAL UNITS	
Course	Units	Course	Units	Course	Units	Course	Units	Units	
AOS UD CORE	4	AOS UD ELECTIVE	4	Non-AOS ELECTIVE	4				
AOS UD ELECTIVE	4	Non-AOS ELECTIVE	4						
Total Units	8		8		4		0		20

NOTES:

1. This is a sample program plan that **ONLY** includes major requirements. For questions on college requirements and GEs, please contact CAAC. Each student's actual program plan may differ depending on various factors such as GEs, college requirements, previous credits (i.e. transfer credits, AP credit, etc.), course schedule, and course availability.
2. Students are strongly advised to work with academic counselors from CAAC and their home department to determine a personal program plan.
3. In addition to AOS 101 and 103, the other four core classes are AOS 104, M105, 107, and 112
