5. Total number of additional absences allowed for students with DAA accommodation (disability-related health events only)

3

6. What are the communication expectations for students when they need to request an extension or an excused absence?

Assignment extensions: Students should notify their instructor as soon as they anticipate needing to use this accommodation. Notification must occur before the original deadline.

Excused absences: Students should notify their instructor as soon as they anticipate needing to use this accommodation. Notification should occur on the day of the class session or earlier.

7. Are there specific class sessions or experiences that cannot be excused? (e.g. guest speakers, offsite visits etc.) Please explain.

Please refer to syllabus.

8. Please select a reasonable extension duration for assignments in this course.

48 hours
