If applicable:

Faculty Co-Advisor Name:

Faculty Co-Advisor E-mail:

Faculty Co-Advisor Dept:

The signatures below indicate that the student and faculty member have agreed that the faculty member will serve as the student's senior capstone advisor. The faculty member confirms that they will be available to mentor the student throughout the duration of the capstone research process (1 semester). Advisors are expected to meet with their students on a regular basis to monitor their progress and provide substantive feedback on their interim work.
