INFORMATION

1. Guideline for Overseas Universities Documents

- Applicants from overseas universities shall submit a certificate of degree with Apostille or consular confirmation. Please refer to p. 22.
 - If the applicant did not prepare apostilled or consular confirmed documents, the official certificate of degree (in PDF) can be acceptable when applying. However, admitted students need to submit the apostilled or consular confirmed certificate of degree (in physical form) after the final result are announced, so it is recommended to prepare in advance. [After admission (including for student visas), expected graduation, attendance records, enrollment or provisional certificates will not be accepted. Information on the submission period and procedure will be provided through the guidelines for admitted students.]
 - **Applicants from Chinese universities** shall submit English version of the Degree Certificates issued by China Credentials Verification, (possible to issue through <http://www.chsi.com.cn>) (consular confirmation not required.) and apostilled certificate of degree issued by Universities
 - Upload in PDF format when applying
 - Transcripts do not require Apostille or consular confirmation, must be original copy of official document.
 - If **the grading system is different with 4.0, 4.3, 4.5, or percentage grading system, please attach the official description data.** Description data should be officially issued from universities or country (official letter from university can be acceptable). It is recommended to submit this information to avoid potential disadvantages.
 - If there is no GPA on the transcript, you must attach additional documents to confirm GPA (official letter from university can be acceptable).
 - If transcript is unofficial, "for verification", screen captured or lacking a seal, it may result in disadvantages.
 - If the documents are written in languages other than Korean or English, they should be submitted along with notarized copies translated into Korean or English.
 - For Documents written in languages other than Korean or English, you do not need to get a translation notarization if they are presented side-by-side in Korean or English.
 - It must be a notarized translation, and documents translated arbitrarily or by a non-notarized translator (or website) are not accepted
 - Other Notices are the same with documents for students from Korean universities, so please refer III_2. Notices for Submitting Documents (p.7) and VI. Eligibility and Submission Documents by Admission Track(p.12~20)
- * Foreign university branches located in Korea are not considered overseas universities, and therefore applicants must select "Republic of Korea" as located country of the university when applying (e.g. international university in Songdo).

2. Information on Apostille/Consulate Authentications

- For documents from Apostille Convention member countries, an Apostille certification is required (Exception: For documents from China, applicants must submit either China Higher Education Student Information (CHSI) documents without consular verification/Apostille OR original documents with Apostille certification).
- For documents from non-Apostille Convention countries, consular verification by a Korean consulate in the country where the institution is located or by the relevant foreign consulate in Korea is required.
- Reference Information on the Apostille Convention
 - A. About the Apostille Convention
 - 1) The Convention Abolishing the Requirement of Legalization for Foreign Public Documents (entered into force in Korea on July 14, 2007)
 - 2) To facilitate mutual recognition of public documents among member countries, the Convention abolished the consular verification process by foreign consulates, and the country issuing the public document is responsible for its certification.
 - 3) Documents from Convention member countries with Apostille certification have the same legal effect as consular verification by Korean diplomatic missions abroad.
 - B. The latest information on relevant agencies by country can be found in the Apostille Section of the Hague Conference on Private International Law (HCCH) website (www.hcch.net.)
- Apostille Issuance Process
 - A. Public Documents (e.g., public/national universities)

Public document issuance → Visit Apostille authority → Apply for Apostille → Submit to Apostille authority → Apostille issued
 - B. Private Documents* (e.g., private universities)

Private document issuance → Notarization by notary public* → Visit Apostille authority → Apply for Apostille → Submit to Apostille authority → Apostille issued

* Notarization requirements for private documents may vary by country's public institutions and legal systems. Generally, notarization in the country of origin is required before obtaining an Apostille.

* The list of the country joined convention of the Apostille (As of March 30th, 2025)
