**This transfer course sheet is applicable for applicants applying between August 1<sup>st</sup>, 2025 and October 15<sup>th</sup>, 2026.**

- Applicants must have completed MATH 140 **AND** MATH 142 (or equivalent to these courses).
- A minimum of two courses (6 hours) must also be taken from the Required Coursework list: AGECE 105, ECON 202, ECON 203, ACCT 229, ACCT 230. **Must earn a grade of B or higher in all required coursework.**
- Grades lower than B for required coursework are included in the GPA calculation, but are allowable provided a B or better is eventually achieved in the same course. For example, a D in MATH 1324 in Fall 2025 will count towards GPA, but a B or better in MATH 1324 in Spring 2026 is needed to meet the required coursework above.
- In your essay, please be sure to address how an Agricultural Economics degree will help you meet your career goals. If you have 3 or more grades of D's, F's, Q's, NG's and/or W's explain why the grades occurred.
- Up to six hours of real estate courses (RELE 1303, RELE 1307, RELE 1309, RELE 1406, RELE 2201) taken at Blinn College can be counted for Directed Non-AGECE electives in the Finance and Real Estate option.
- STAT 201 (MATH 1242, 1442) **will not** apply toward a degree requirement for the AGECE program.

**The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. Coursework does not necessarily have to be completed in the order shown below.**

**Coursework Timeline**

- Competitive applicants will have all required coursework completed by the application deadline.
- Applicants to the spring term should have all required coursework completed by the end of Summer II before applying.
- Fall coursework **will not** be considered for spring applicants.
- Summer coursework **will not** be considered for summer/fall applicants.
- Applicants for summer/fall **may be** asked to submit spring final grades; this is not a guarantee.

**Additional Transfer Requirements**

- The Department of Agricultural Economics is looking for students who are interested in pursuing our degree as a focus. Students should indicate **our department as the primary major they are interested in if they wish to be admitted**. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Admission to the Agricultural Economics program is competitive. Completion of the minimum requirements does not guarantee admission. The entire record is reviewed for consistency in coursework and grades.

**Additional Information**

- Applicants should be serious about earning a degree in the Department of Agricultural Economics.
- Transfer applicants are instructed NOT to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.
- We recommend meeting with an academic advisor prior to submitting the application.

**Career & Educational Opportunities**

The globalization of agriculture, new technologies, nutritional and environmental consciousness, and U.S. and foreign policies are creating the need for industries to hire graduates with strong backgrounds in applied economics, business principles, and leadership. This major is designed for students interested in starting businesses, banking and lending, real estate, public policy, or marketing and trading. Students within this major select one of four options: Finance and Real Estate, Food Marketing Systems, Policy and Economic Analysis, or Rural Entrepreneurship. For more information, please visit [careercenter.tamu.edu](http://careercenter.tamu.edu).

**Transfer Course Sheet Notes**

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture and Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
