This transfer course sheet is applicable for applicants applying between August 1st, 2025 and October 15th, 2026.

- *We will accept MATH 1314, MATH 1324, MATH 1325 (completed with a C or better) to meet transfer requirements. However, MATH 1350 and MATH 1351 are required for graduation purposes.
- ± Only **ONE** 3-hour or 4-hour Life and Physical Sciences (completed with a C or better) is required for admission. Recommended science options are listed above, but other science options can be selected from the list at core.tamu.edu.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an associate degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below, but this major requires or recommends specific coursework to be completed.

2025-2026 Transfer Course Sheet
Minimum GPA | 2.75 preferred
Minimum Transferable Hours | 24
Maximum Transferable Hours | 75 preferred
Second-Choice Major Eligible | YES

Coursework Timeline

- Competitive applicants will have the required coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the required coursework completed by the end of Summer II semester before applying.

Additional Transfer Requirements

- The Teaching, Learning, and Culture Department is looking for students who are interested in pursuing our degrees as a focus. The essay and supporting materials should reflect that the student is interested in pursuing one of our degrees.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Career & Educational Opportunities

- The Department of Teaching, Learning and Culture (TLAC) offers a Bachelor of Science (BS) in Education with different concentrations. The Early Childhood through 3rd grade concentration leads to teaching certification in grades EC-3 general education and English as a second language within the constraints of the Texas Education Agency.
- The English Language Arts/Social Studies, Middle Grades Certification concentration leads to teaching certification in reading/language arts and social studies for grades 4-8 and English as a second language within the constraints of the Texas Education Agency.
- The Math/Science, Middle Grades Certification concentration leads to teaching certification in math and science for grades 4-8 and English as a second language within the constraints of the Texas Education Agency.
- The Pre-K-6, Generalist Certification concentration leads to teaching certification in grades PreK-6 general education and English as a second language within the constraints of the Texas Education Agency.
- For more information, please visit careercenter.tamu.edu.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Education & Human Development at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
