Required Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
Business Math I	3	MATH 1324	MATH 140
Business Math II	3	MATH 1325	MATH 142
‡ Approved Science	8	BIOL 1406, BIOL 1407, CHEM 1411, CHEM 1412, PHYS 1401, or PHYS 1402	BIOL 111, BIOL 112, CHEM 119, CHEM 120, PHYS 201, or PHYS 202

This transfer course sheet is applicable for applicants applying between August 1st, 2025 and October 15th, 2026.

- ‡ - Students must complete both math classes and **TWO** of the six science classes with a B average and no grade less than a C as a requirement for admission. All other coursework should be completed with a grade of C or better.
- Students may have to complete College Algebra (MATH 1314) at their institution before taking MATH 1324 or 1325.
- College Algebra is a transferable course but **will not** satisfy the mathematics requirements in this degree plan.

The recommendations below represent what a typical TAMU student’s schedule looks like during the first four semesters. If working to complete an associate degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below, but this major requires or recommends specific coursework to be completed.

Coursework Timeline

- Competitive applicants will have the Required coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the Required coursework completed by the end of Summer II semester before applying.

Additional Transfer Requirements

- Students should strive to complete both math and two science courses from the list above with a B average and no grade less than a C.
- Students should strive to maintain a cumulative GPR of 2.75 or greater on all college courses that transfer to TAMU.
- The Kinesiology and Sport Management Department is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Applicants should be serious about earning a degree in Kinesiology-Exercise Physiology as indicated by their first-choice major preference on the Apply Texas Transfer Application.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Career & Educational Opportunities

This major is the study of the acute responses and chronic adaptations to a wide range of physical exercise conditions, including the scientific study of human movement. Students in this major select from three specialization options: **Applied Exercise Physiology** (AEP), **Basic Exercise Physiology** (BEP), and **Motor Behavior** (MTB). AEP prepares students to enter professional school or begin careers in numerous fields such as cardiac rehab, corporate/private fitness, or strength and conditioning. BEP provides a background in the physical and biological sciences required for additional graduate study in Exercise Physiology or entry into medical, physician's assistant, dental, or pharmacy schools. MTB prepares students who wish to enter physical therapy, occupational therapy, or other professional schools. For more information, please visit careercenter.tamu.edu.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Education & Human Development at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
