This transfer course sheet is applicable for applicants applying between August 1st, 2025 and October 15th, 2026.

- Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- Students may have to complete College Algebra (MATH 1314) at their institution before taking MATH 1324 or 1325.
- College Algebra is a transferable course but **will not** satisfy the mathematics requirements in this degree plan.
- All required coursework has to be completed with a grade of C or better.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an associate degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below, but this major requires or recommends specific coursework to be completed.
