

Degree Plan for Bachelor of Science in Agricultural Economics

Requirements:

- Students may have to complete College Algebra (MATH 1314) at Blinn College before taking MATH 1324 or 1325.
- Students who want to transfer into Agricultural Economics at Texas A&M University should earn grades of C or better in ACCT 229, ACCT 230, AGECE 105, ECON 202, ECON 203, MATH 140, and MATH 142.
- If a student has more than 3 grades of F, D, and/or W, the student will provide written documentation for why these grades occurred.
- **Transfer students must have a minimum GPA of 2.75.**

We encourage students to meet with their academic advisor at Blinn College to discuss degree requirements. For questions regarding transfer to Texas A&M University, students may contact Reid Stavinoha reid.stavinoha@ag.tamu.edu.

BUSI 2371	MGMT 211	Business Legal Environment	3
Total			15

¹ Courses must be taken face to face or online from Blinn College.

Career & Educational Opportunities:

The Department of Agricultural Economics offers Bachelor of Science degree programs in the fields of Agricultural Economics and Agribusiness. The B.S. degree in Agricultural Economics allows students to direct their plan of study towards their professional interests by selecting a concentration in either Finance and Real Estate, Food Marketing Systems, Policy and Economic Analysis, or Rural Entrepreneurship (course requirements for the freshman and sophomore years are identical for all concentrations). The department also offers an accelerated five-year program in association with the Bush School of Government and Public Service that provides AGECE students with the opportunity to receive a B.S. in Agricultural Economics and a Masters of Public Service and Administration. For more information, please visit <https://agecon.tamu.edu>.
