We have endeavored to make this major coursework check sheet error-free. All listings are based on the 2025-2026 [Texas A&M University Undergraduate Catalog](#). If a discrepancy appears, the catalog is the final word.

**Important:** The Bachelor of Science in Architecture consists of 8 semesters of sequential studio courses. Students will have 4 additional years when they transfer to A&M, regardless of how many hours they transfer. For instance, if a student begins the studio sequence in Fall 2025, they will not graduate any earlier than Spring 2029, regardless of how many hours they transfer or how many hours they have taken in the summers.
