

REQUEST TO DEFER ADMISSION FOR MILITARY OBLIGATIONS

Eligibility:

1. You must be a degree-seeking, fully admitted or pathway student for the upcoming semester into Texas A&M University at **College Station**.
2. Other pathways to admission are **not eligible to defer**, such as PSA, Blinn Team, Engineering at Blinn, Gateway, Galveston, McAllen and others. Please contact [Military Admissions](#) to discuss your eligibility to request a deferral.

obligations. I have attached a copy of my orders showing my departure

dates as _____ and return date as _____ .

I understand that should I be back in time to start the following long semester, my admission will be deferred along with NSC registration and fees. Deferrals from the Fall to the Spring term will be processed in August allowing for any date changes by the military.

I understand that if I have been offered financial aid or scholarships, I am not able to defer these offers. Upon my return, I will be reassessed for financial aid eligibility. I am not guaranteed to receive the same aid, as some programs are eligible to students who begin in the fall term only and all programs are subject to the availability of funds.

I also understand that should I not be back in time to start the following long semester (Spring or Fall), I will be required to complete a new application and apply for the next term I am able to attend. Please note the application deadline for the semester you wish to apply. Check the [admissions website](#) or contact [Military Admissions](#) for more information if needed.

I understand that it is my responsibility to inform Military Admissions of any changes to the dates of my orders.
