

Academic honesty declaration

By completing this assessment, I agree to the following declaration:

I understand that the University expects all students to complete coursework with integrity and honesty. As a member of the University's student body, I will complete this assessment task in a fair, honest, responsible, and trustworthy manner.

This means that:

- I will not seek out any unauthorised help in completing this assessment task. Please note: unauthorised help includes seeking assistance or advice from anyone, using a tutorial or answer service whether in person or online, asking fellow students, friends or family, etc.*
- I will not discuss or share the content of the assessment task with anyone else in any form, including via social media platforms or messaging services during the course of the assessment task.*
- I will not reproduce and/or share the content of this assessment task in any domain or in any form where it may be accessed by a third party.*
- I am aware the University of Auckland may use Turnitin or other plagiarism detecting methods to check my content.*
- I declare that this is my own work, except where acknowledged appropriately (e.g., use of referencing). Please note: It is not appropriate (and will be considered plagiarism) to reproduce or copy material provided by your teachers, including lecture slides, lecture notes and/or course readings. All content must be written in your own words and referenced appropriately. If quoting a source, quotations must be used and referenced appropriately.*
- I declare that this work has not been submitted for academic credit in this course or another University of Auckland course, or elsewhere.*
- I acknowledge that I/we have adhered to the course rules surrounding the use of permitted software and 3rd party assistance.*
- I declare that I have generated the calculations and data and/or composed the writing/translations in this assessment independently, using the tools and resources defined for use in this assessment task.*
- I understand the University expects all students to complete coursework with integrity and honesty.*
- I promise to complete all online assessments with the same academic integrity standards and values.*

Any breach of this statement or identified academic misconduct will be followed up and may result in disciplinary action.
