Week 13	Lecture 13: No new material. Recap for final exam, and solving some questions together.	Tutorial 11: FSA Sheng Siong Tutorial 11 Questions SSA Chapter 15: E 15-5, P 15-18 All self-study questions	

Note:

- (1) Students are expected to read all the assigned reading chapters and lecture slides posted on Canvas. Please do not allow yourself to get behind, as each chapter builds on the previous chapter(s).
- (2) Students are required to attempt and complete ALL the questions assigned for the tutorials and be prepared to contribute to the discussions during tutorial classes.
- (3) Students are strongly encouraged to also attempt the self-study questions assigned and review the solutions carefully to gain stronger understanding of the materials. The self-study questions will not be covered in the tutorial classes, however the solutions will be provided to you.
