

# ENGAGEMENT WITH THE HUMAN PAST

Students acquire knowledge through evidence about human experience in one or more eras of the human past and learn to evaluate, synthesize, and communicate that evidence, applying it to their lives in the present.

Engagement with the Human Past (FC-PAST) is a required Focus Capacity course in the IDEAs in Action curriculum (<https://catalog.unc.edu/undergraduate/ideas-in-action/#learningoutcomestext>).

A single course may be used to fulfill only one Focus Capacity requirement (not including lab).
