

SUPPLEMENTAL GENERAL EDUCATION

Students who pursue a bachelor of arts degree must also satisfy a Supplemental General Education requirement. The intent of this requirement is to broaden a student's perspective on the major by examining its relationship to work in at least one other field. Students may fulfill the requirement in three ways:

1. By completing a second major
2. By completing a minor
3. By completing three courses (nine hours) above 199 that are offered outside the home department or curriculum of the first major. These three courses can neither be used to fulfill the requirements of the first major nor be cross-listed with courses that a student has used to satisfy major requirements. These three courses may not overlap with a course being used to fulfill a First-Year Foundations requirement or a Focus Capacity requirement.
