SAFETY RESOURCES AT UW-MADISON

2024-25
EDITION

EMERGENCIES

UW Police Department

***Dial 911 for emergencies**

- Non-emergency line:
 - 608-264-2677
- Emergency Lake Rescue:
 - (608) 262-3505
- Check out the website to get more information helping you stay safe.

SAFEWALK

SAFEwalk is a free walking companionship service available to all students, faculty, staff, and UW visitors. To request a SAFEwalk, **call or text (608) 262-5000**. Check out the [SAFEwalk hours](#) here!

WISCALERTS

WiscAlerts

- provide information about an active emergency situation on campus that requires the community to take immediate action in order to stay safe.
- Every campus email address will automatically receive WiscAlerts when they are issued.
- WiscAlerts are also sent via text message – students are automatically enrolled to receive text alerts.

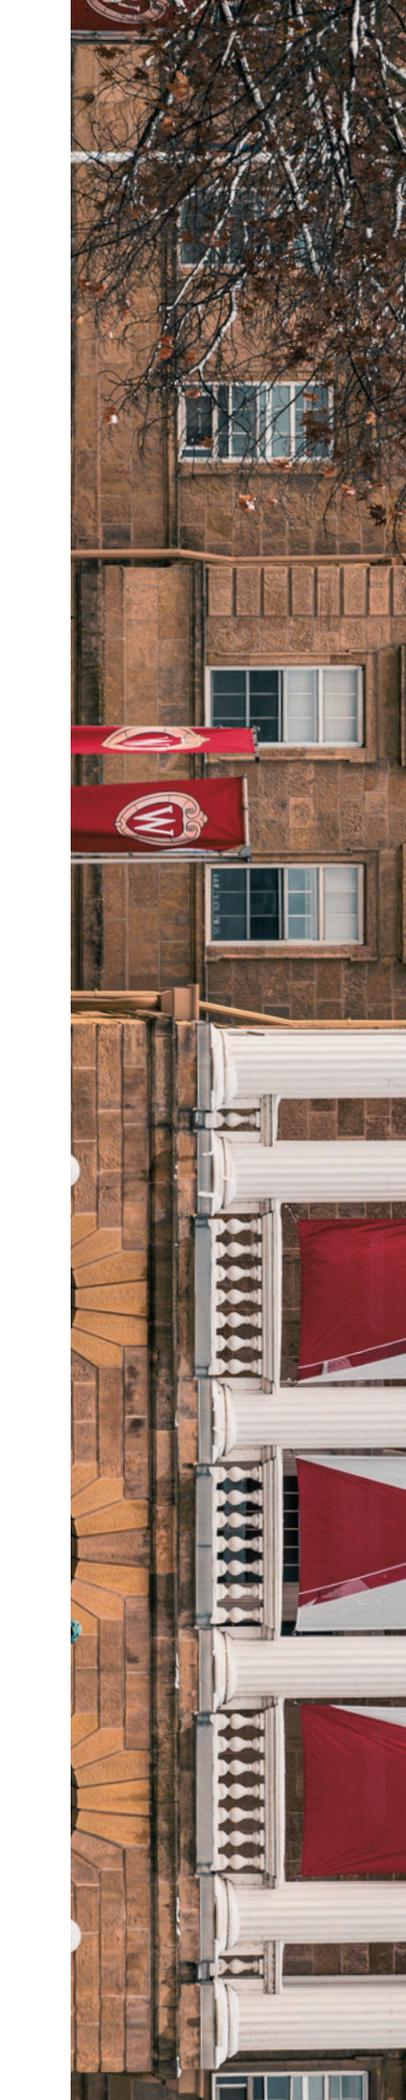

**NOT LIVING ON CAMPUS? OFF-CAMPUS
ALERTS ARE ON THE BADGERSAFE APP**

BADGERSAFE APP

BadgerSAFE is the official safety app of UW-Madison Police Department.

- Receive crime alerts and safety information sent direct to your phone
- Connect with UWPD quickly via call or text
- Walk virtually with a friend
- Get instant access to campus resources

REPORT AN ISSUE

Office of Student Assistance and Support (OSAS) - *formerly called the Dean of Students Office* - also serves as a central location for reporting issues of hate and bias, sexual assault, and hazing.

All reports will be taken seriously and information will be provided to the proper office for investigation.

- 608-263-5700
- OSAS@studentaffairs.wisc.edu

A vertical photograph on the left side of the page shows a brick building with white columns and red banners. The banners feature a white 'M' logo. The building has several windows and a balcony with a white railing.

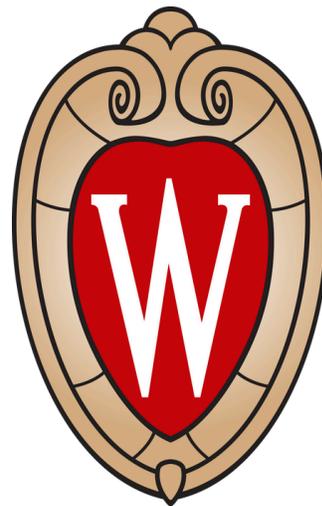

REPORT AN ISSUE

The Sexual Misconduct Resource and Response Program (formerly called the Title IX Program) receive reports of sexual harassment and sexual violence – including sexual assault, dating/domestic violence, stalking, and sexual exploitation – and coordinate the University’s response.
